

Significant changes made to the Examination and Assessment Regulations for 2020/21

Section 1: Progression and Award Regulations

Regulation 166: alternative exit title of 'with an interdisciplinary year' to replace 'with a Study Abroad Year' where the additional year of study is during 2020/21 and consists of the equivalent of more than 60 credits of elective modules in Semesters 1 and 2 at Sussex.

Appendices: Some additions and revisions made to the derogations in the appendices, including PAB and resit timings for PGT courses starting in January.

Section 2: Examination and assessment policies and procedures

Academic Misconduct: changes were agreed for 2019/20 onwards to take account of online exams taken remotely.

Marking, moderation and feedback: introduction of process where a marks and feedback publication date has been missed and process for reporting on timeliness of feedback

Students with a Declared Disability: revised procedure following the change to the University Reasonable Adjustment Panel terms of reference.

Details of specific changes are available via the University Education Committee papers.
