

DEPARTMENT OF ENGINEERING AND DESIGN

NOTICE OF CHANGES TO ENHANCED PROGRESSION REQUIREMENTS JANUARY 2013

Integrated Masters Degrees (MEng):

Stage 1 to 2: no higher progression threshold (*change from 50% mean requirement*)

Stage 2 to 3: 55% stage 2 mean required to progress to stage 3 (*change from 60% mean requirement*)

Stage 3 to 4: 55% stage 3 mean required to progress to stage 4 (*change from 50% mean requirement*)

Transfer from BEng to MEng:

Stage 1 BEng to stage 2 MEng : 55% stage 1 mean required to transfer to MEng

Stage 2 BEng to stage 3 MEng: 55% stage 2 mean required to transfer to MEng

No routine transfer to stage 4 of MEng.

Transitional arrangement for courses being taught out

These regulations will be implemented during the 2012/13 academic session provided that there is no detriment to students at the level of the degree awarded. For all students except the 2010 entry cohort these changes to the progression regulations act in their favour. For the 2010 entry cohort the 'no detriment' rule would apply.
