UNIVERSITY
OF SUSSEX

**Undergraduate Students 2018/19 – Recommended Supply List**

Dear Student

Participating in the Product Design course requires that you have the tools you need to complete your assignments. During your first week of term, you will be issued a storage box to store your supplies in the design studio. At Sussex we understand that obtaining the correct supplies to execute your work can be costly and time consuming, for thjis reason we have put together an 'Essential Supplies Pack, at no additional cost to to you,  this can be collected and signed for in first week of term.

**The Essential Supplies Pack includes:**
Two A5 and two A3 sketchbooks

Sketching pencils 2H – 6B

Pencil sharpener

Permanent black ink pen,

Technical/mechanical pencil

Fine liners

Ball point pen

Notebook

Rulers - metal and plastic

Scalpel and blades

Glue stick

Scissors

Glue gun

Eraser

USB sticks

**Additional Considerations:**
**Not included in your Essential Pack**

Cutting mat

Spray mount

Pro marker pens

Bleed proof marker pad

Case to carry supplies
