Most of our customers' concerns can be resolved quickly but occasionally more detailed enquiries are needed. If this is likely, we will contact you with an update within 10 working days of receipt and give you an expected date of response.

What to do if you are unhappy

If you are unhappy with any aspect of the handling of your insurance we would encourage you, in the first instance, to seek resolution by contacting your insurance adviser. You can write or telephone, whichever suits you, and ask your contact to review the problem.

If you are unhappy with the outcome of your complaint you may refer the matter to the Financial Ombudsman Service (FOS) at:

Use of Language

Unless otherwise agreed, the contractual terms and conditions and other information relating to this contract will be in English.

Customers with Disabilities

This policy and associated documentation are available in large print, audio and braille. If you require any of these formats, please contact your insurance adviser.

The Contract of Insurance

The Contract of Insurance

The policy, the information You have provided and/or the application form, the statement of fact, the declaration made by You and The Schedule should be read together and form the contract of insurance between You, The Policyholder and Us, Aviva.

In return for You having paid or agreed to pay the premium for the Period of Insurance, We will indemnify You by payment or, at Our option, by reinstatement or repair, in respect of loss, liability, destruction, damage, accident or injury, to the extent of and subject to the terms contained in or endorsed on the policy.

Important

This policy is a legal contract. You must tell Us about any material circumstances which affect Your insurance and which have occurred either since the policy started or since the last renewal date.

A circumstance is material if it would influence Our judgement in determining whether to provide the cover and, if so, on what terms. If You are not sure whether a circumstance is material ask Your insurance adviser. If You fail to tell Us it could affect the extent of cover provided under the policy. You should keep a written record (including copies of letters) of any information You give Us or Your insurance adviser when You renew this policy.

Breach of Term

We agree that where there has been a breach of any term (express or implied) which would otherwise result in Us automatically being discharged from any liability, then such a breach shall result in any liability We might have under this policy being suspended. Such a suspension will apply only from the date and time at which the breach is remedied. This means that We will have no liability in respect of any loss occurring, or attributable to something happening, during the period of suspension.

Terms not relevant to the actual loss

Where there has been non-compliance with any term (express or implied) of this policy, other than a term that defines the risk as a whole, and compliance with such term would tend to reduce the risk of:

- loss of a particular kind, and/or
- loss at a particular location, and/or
- loss at a particular time,

then We agree that We may rely on the non-compliance to exclude, limit or discharge Our liability under this policy if You show that non-compliance with the term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.
