Choose ONE of the following essay themes and discuss it in no more than 1,000 words each. Your essay should demonstrate a good understanding of the relevant theories and evidence that were taught on the module. Essay topics:</p> <ol style="list-style-type: none"> 1) Ending extreme poverty and achieving economic development are possible but not inevitable and this gives the study of economic development its moral and intellectual urgency. Comment on and evaluate this statement. 2) “Since poverty is multi-dimensional, only multi-dimensional measures can be used to quantify it in developing countries”. Explain your answer. 3) What are some public policy measures that may: (i) encourage poor households to invest more in the education of their children? (ii) improve the quality of education offered at the primary level. 4) The World Health Organisation (WHO) strongly advocates increased reliance on prepaid health spending and risk pooling mechanisms to fund healthcare systems in poor countries. Discuss the reasons for this advocacy. <p>Resit for observation mark (now Report 500 words). Write a reflective commentary of any one topic covered on the module. This should discuss, for example, why a concept is useful and how it can inform practice in development economics using relevant examples and evidence. Maximum word limit: 500 words. List of topics:</p> <ol style="list-style-type: none"> 1. The economics perspective 2. Defining economic development 3. Poverty, inequality, and growth 4. Education and human capital formation 5. Health and development 6. International trade and economic development 7. Foreign direct investment, remittances, and aid 8. Environment, growth, and development 9. Policy evaluation and development <p>DEX question paper available to download from module Canvas 24hrs prior to submission deadline.</p>

L2107N	Social Change, Culture and Development	15	(CWK) Essay 1500 words Essay 1500 words	Essay 1500 words Essay 1500 words	<p>How and why is 'development' often considered synonymous with 'modernity' and what are the implications of this for developing countries?</p> <p>How can development in the Global North be linked to underdevelopment in the Global South? What are the implications of this for global development interventions such as the SDGs?</p> <p>Assess the value of theories of structural violence for understanding process of development.</p> <p>How and why can an emphasis on formal schooling in development approaches be associated with negative impacts on childhood learning? Use examples.</p> <p>What are the limitations of focusing on the promotion of Social Capital in development projects and interventions?</p> <p>Do you think that 'Civil Society' is a useful concept for Development?</p> <p>Do you agree that online Social Media has weakened the impact of Social Movements?</p> <p>Is migration good for national development?</p> <p>"Indigenous identity is only powerful when it is 'performed' for outsiders." Discuss in relation to indigenous people and development.</p> <p>Discuss the positive and negative consequences of the UN Declaration on the Rights of Indigenous Peoples in relation to Development.</p> <p>In what ways do current discourses of Sustainable Development recreate older ideologies of Development?</p> <p>"Continued Economic Development is incompatible with any serious efforts to combat Climate change." Discuss.</p> <p>Are attempts to incorporate indigenous notions of well-being (Sumac Kawsay / Buen Vivir) into national development doomed to fail?</p> <p>Are the UN SDGs useful as anything more than aspirations?</p> <p><i>Students are encouraged to use ethnographic examples to support their arguments where appropriate.</i></p>

Code	Course	Credits	Original Mode	Resit/Sit Mode	Resit Essay Title
L2128	Development & the State	15	2000w or 3000w essay	2000w or 3000w essay	<p>Choose one of the titles below (you must choose a different question to one previously attempted):</p> <ol style="list-style-type: none"> 1. Discuss either Listian or Smithian approaches to the State and Development. What are their strengths and weaknesses? 2. Discuss and assess at least one Marxist contribution to understanding the relationship between the state and development. 3. How did Weber contribute to our understanding of modern states? 4. Why is the concept of decommodification important in understanding welfare states? 5. How successful was South Korea at achieving catch-up development in the post Second World War period? 6. Is it worth thinking about development against and beyond the capitalist state?
L2103	Environmental Perspectives on Dev	15	2000w essay	2000w essay	<p>Write a 2000 word essay using one of these titles (you must choose a different question to one previously attempted):</p> <ol style="list-style-type: none"> 1. What are the strengths and weaknesses of the term 'sustainable development'? 2. Colonial hunters and their attitudes towards nature influenced colonial politics around conservation. Discuss and explain this statement. 3. Politics was more important than the environment when it came to colonial soil conservation policies. Discuss with reference to particular examples. 4. Population growth leads to environmental degradation. Critically discuss this statement with reference to specific examples. 5. Adaptation and mitigation policies are essential as we seek to deal with climate change. Critically discuss the harmonies and disharmonies between them, with reference to examples. 6. Biofuels are bad for the poor. Discuss. 7. Biodiversity and development are interdependent and interconnected, but ultimately impossible to achieve simultaneously. Discuss. 8. With reference to specific examples, evaluate the successes and failures of Community Based Natural Resources Management policies. 9. 'Anticipation of benefits from development fuels individual, community and ethnic claims to land in pastoralist dryland areas of East Africa'. Critically discuss this statement drawing on examples. 10. How central is environmental sustainability in the SDGs, and how does this differ from the MDGs?

L2104	Gender & Development	15	2000w or 3000w essay	2000w or 3000w essay	<p>Choose one of the questions below (you must choose a different question to one previously attempted):</p> <ol style="list-style-type: none"> 1. To what extent do gender binaries render certain bodies invisible? Discuss with reference to a case of your choosing. 2. Compare and contrast the ways in which WID and GAD approaches to development differ 3. To what extent do you agree with Flavia Dzodan's assertion that "...feminism will be intersectional or it will be bullshit"? 4. To what extent do mainstream representations of rape as a weapon of war perpetuate the coloniality of gender? 5. How has the feminization of labour contributed to changing migration trends in the 21st century? Discuss with reference to a case of your choosing. 6. Using examples to illustrate your argument, how convincing do you find the classification of women who commit violence into 'mothers' 'monsters' and 'whores'? 7. To what extent can men be disadvantaged by patriarchal structures? 8. To what extent do gender-based development initiatives adequately address the needs of queer populations? Discuss with reference to a case of your choosing
L2002N	Race, Ethnicity & Nationalism	15	2000w or 3000w essay	2000w or 3000w essay	<p>Choose one of the questions below (you must choose a different question to one previously attempted):</p> <ol style="list-style-type: none"> 1. To what extent was the Apartheid system unique to South Africa? Discuss with reference to specific historical examples 2. What does Anderson mean by the term 'imagined communities'? Discuss with reference to theories of nationalism. 3. What do we mean by the term 'ethnicity'? Is it a useful concept? 4. Examine the links between culture and nationalism. Give examples. 5. What was the impact of Indian nationalism on women? 6. What do we mean by the colonial construction of difference in the context of South Asia? 7. What is the significance of ethnicity and nationalism with regard to the Palestinian question?

L2102N	Health, Poverty & Inequality	15	2000w or 3000w essay	2000w or 3000w essay	<p>Choose one of the titles below (you must choose a different question to one previously attempted):</p> <ul style="list-style-type: none"> - What is 'structural violence' and how does the concept contribute to our understanding of health inequalities? Discuss in relation to EITHER - the case of maternal health; - the case of HIV/AIDS; OR - the case of Ebola - Why do governments often seek to regulate women's fertility? Discuss with reference to country specific health policies. - What is the relationship between inequality and obesity? Discuss with reference to examples from the UK and/or US - What does a study of homelessness reveal in terms of health inequalities? Draw on specific examples in your answer. - What role does the pharmaceutical industry play in reducing or reinforcing inequalities in health? Focus on the production of specific drugs and trans-national companies in your answer.
001DS	International Education and Dev	15	2000w or 3000w essay	2000w or 3000w essay	<p>Write an essay on one of the topics covered in the lectures, and apply it to a country or region of your choosing. This essay must be theoretically informed, analytically rigorous and empirically grounded (you must choose a different question to one previously attempted)</p>
