

High Performance Computing User Group

Notes on Meeting #8 held 28th May 2019

Attendees: Seb Oliver, Hazel Cox, Nicholas Dowell, Thomas Nowotny, Antony Oliver, Martin Todd, Jeremy Maris, Robert E Smith, Ilian Iliev, Clare Gryce Vanessa Sallows Seshagiri Kolusu, Netsanet Alamirew

Apologies: Fabrizio Salvatore and Anotida Madzvamuse.

1. Introductions on research areas from everyone around the table.
2. Clare introduced herself and the ITS strategy. (Might be worth circulating slides).
3. Discussion of way forward
 - Agreed schedule of HPC user group meetings every 3 weeks from now
 - **Action:** Seb to ask MPS office to organise meetings
 - **Action:** Clare/Jeremy to provide template for capturing requirements for roadmap
