24 hour access

There is **24 hour access** to some cluster rooms. To access these out-of-hours you need to use the access code, available online at:

[sussex.ac.uk/its/services/clusterrooms](sussex.ac.uk/its/services/clusterrooms)

NB: **York House** does not require an access code.

Open access

**Open access** clusters cannot be booked for teaching so if you wish to work undisturbed for a long period, we recommend that you use a PC in one of these rooms.

Kiosks

**Kiosks** give users quick and easy access to the web and web based services without having to login. Available from a number of convenient locations around campus.

Adapted PCs

**Adapted PCs** are dedicated PCs intended for students with disabilities or specific learning needs. To use them, you must register with the IT Services Disability Advisor Liz Davis - email:lizd@sussex.ac.uk or tel:3131

PABS (Printing Account Banking Station)

All clusters have printers. You can credit your printing account via automatic banking points known as a **Printing Account Banking Stations (PABS)** with “touch-screen” controls, although the recommended method is to top up your account using a credit or debit card via Sussex Direct:

WiFi

The **WiFi** network **Eduroam** is available in many areas of campus. For our wifi hotspots map and to configure your computer to use **Eduroam**, please see:

Audio

To listen to sound on ITS PCs, please provide your own headset and plug it into the socket at the front of the computer.
