

Mood and Anxiety Clinical Academic Group (maCAG) & Mood and Anxiety Research in Sussex (MARS): Seminar Talks 2022-2023

Our monthly Zoom seminars (link below), usually on the second Weds of the month 4-5pm.

The seminars cover a diverse range of topics from perinatal mental health to loneliness and depression during the COVID-19 pandemic.

Everyone is welcome to attend, especially those interested in mood and anxiety research including people with lived experience of or caring for people with these conditions.
