

## Research Group Seminar Mailing Lists

### Subscribing

You should sign up to receive notifications regarding seminars in your research group by going to the following link for either Maths or Physics, and clicking “subscribe” next to your role (e.g. Faculty or Postdoc) within your research group:

<https://info.hpc.sussex.ac.uk/mps/mailling-lists/maths-mailling-lists.html>

<https://info.hpc.sussex.ac.uk/mps/mailling-lists/physics-mailling-lists.html>

If you would like to receive seminar information from other research groups you can click subscribe next to the “Seminar Extras” role within other research groups.

More detailed instructions can be found in the instructions on the main page:

<https://info.hpc.sussex.ac.uk/mps/mailling-lists/index.html>

### Circulating seminar information

If you want to circulate information about a seminar, you can do so to one of four types of mailing lists:

1. The research group members only e.g. [apde@maths.sussex.ac.uk](mailto:apde@maths.sussex.ac.uk)
2. The research group members and anyone who has signed up to receive seminar information from that group e.g. [apde\\_seminar@maths.sussex.ac.uk](mailto:apde_seminar@maths.sussex.ac.uk)
3. The combined research group members for the department e.g. [research@maths.sussex.ac.uk](mailto:research@maths.sussex.ac.uk) or [research@phys.sussex.ac.uk](mailto:research@phys.sussex.ac.uk)
4. The combined research group members for the department and anyone who has signed up to receive seminar information from those groups e.g. [seminar@maths.sussex.ac.uk](mailto:seminar@maths.sussex.ac.uk) or [seminar@phys.sussex.ac.uk](mailto:seminar@phys.sussex.ac.uk)
