**PSYCHOLOGY FEEDBACK COVER SHEET**

**(This cover sheet to be attached to assignment)**

The purpose of this form is to facilitate specific/focussed feedback to help you do better in future work. The more thought you put into this form, the better quality feedback markers can provide.

<b>CANDIDATE NUMBER:</b>
<b>TITLE OF COURSEWORK:</b>
<b>TITLE OF COURSE:</b>

**a) Describe specific feedback from your last relevant assignment (which may have been from a different course or a previous year) and indicate how you addressed it in this assignment:**

**b) What aspects of the present assignment would you particularly value feedback on?**

**c) Roughly, the criterion for above 60% rather than below is if you have structured or organised your assignment well. Roughly, the criterion to then also achieve above 70% is if you have extended (in an original way) beyond the information or structure given you. (Actual criteria vary for different assignments and years; check <http://www.sussex.ac.uk/psychology/1-3-12.html>.)**

**How have you ensured that your writing is well structured?**

**How, if in any way, have you extended your thinking beyond what was directly given you on this course (this becomes more important as you progress through your degree)?**
