

# UBUNTU

I AM BECAUSE WE ARE

Digital tools and social networks, to stay close to people and services.

Partnership to achieve shared visions for reconciliation

Essential everyday household gadgets

Playful Creativity and Togetherness: Colored Ice Blocks

Social work on-line collaboration across the continent for World Social Work Day

Different layered building blocks in Social Work

The complexity of Social Work and human relations

Different layered building blocks in Social Work

"Tears" by Safet Zec

"Hell on earth" by Damir Šagolj

Families hard to reach within lockdown!

The real face of social workers and vulnerable people they work with

Resilient, committed, strong... in these harsh times

## WORLD SOCIAL WORK DAY 2021
