\*In previous years Lewes Foundation students have been included in the numbers for their associated School

These Statistics do not include Visiting and Exchange Students

Total Student Numbers for 2002/2003 onwards only include registered students. Digests until 2001/2 included students expected to register.

Student numbers prior to 2003/4 snapshot was mapped onto the new school structure by allocating old Schools to new. Note this is more arbitrary than the mapping used in Total UG and PGT/R numbers on previous pages.
