

The Postdoc Network

The Postdoc Network

Founded in August 2015

Current members from Clinical Medicine, Primary Care and Public Health, Informatics, Genome Centre, Engineering + Design, and others.

The Postdoc Network

Platform for:

All non-permanent, post-doctoral research and teaching staff

Current mission focus:

Support network, career and personal leadership development

The Postdoc Network

A chance...

The Postdoc Network

Get involved!

A chance...

... to meet like-minded people in an informal setting

... to take an active role

... to have honest discussions with your peers

... to realise the things you really want to do

... to develop your own leadership skills

... to shape an organisation that represents YOUR interests

... to have lunch in the company of other people once a month 😊

The Postdoc Network

Get in touch: postdocs@sussex.ac.uk

Stay informed: postdocs-all@sussex.ac.uk
(mailing list that includes research & teaching staff)

The Postdoc Network

Informal meetings once a month (bring your own lunch)

Next meeting: **November 4, ARUNDEL 228**

Time slot: **Wednesday, 12 – 1:30 PM**
