

This document is for information only and shows how the entry form is set out on Qualtrics.

Research Impact Awards 2024 Entry Form (Categories 1-7)

Welcome to the 2024 Research Impact Awards entry form. Before completing your application, please refer to the *Research Impact Awards 2024: Key Information and Guidance* PDF on the [RQI Awards webpage](#). Applications will close on Monday 29 April 2024 at 5pm. If you have any questions please contact the RQI team: rqi@sussex.ac.uk

A note for applicants: You can't save on Qualtrics, so please feel free to draft your application in Word before completing the form.

If you are entering into more than one category, you will need to complete an additional entry form. Please ensure you follow the correct link on our Awards webpage.

**indicates a mandatory field*

***Category selection**

[Drop down box with category titles for categories 1-7]

Entrant information

***Title:** [Text field]

***Name (as you would like it on a winner's certificate):** [Text field]

***Job title:** [Text field]

***School or Division:** [Text field]

***Work email:** [Text field]

***Entry title:**

This should be approx. 10-15 words, summarising your main impact achievement(s) so far.

[Text box]

***Short description:** (This should be approx. 50-100 words, explaining your impact achievements for a lay audience. In the event of being shortlisted, this description will be used in communications and publications surrounding the impact awards and ceremony.)

[Text box]

Questions

***Research (150 words):** Please briefly summarise the emerging or established body of research that underpins your impact activity.

[Text box]

All applications will be judged equally across the following criteria. Please complete the following boxes to explain how you meet each:

***Describe how your project or activities addresses a real-world need / problem (max 200 words)**

[Text box]

*Describe the activities undertaken to proactively pursue opportunities to engage with non-academic audiences (such as identifying and developing relationships with relevant stakeholders or building networks) (max 200 words)

[Text box]

*Describe the change outside of academia that has occurred as a result of the project or activities undertaken as part of your work. (max 200 words)

[Text box]

*Describe how this impact award may help to contribute to the long-term development of your impact. (max 200 words)

[Text box]

FOR Impact through interdisciplinary work (category 3) ONLY

*Detail the Sussex staff members involved (including career level), across two or more University of Sussex Schools, including a brief statement indicating how each contributed to the work outlined in the entry. (200 words)

[Text box]

***Agreements:**

I understand that if I am shortlisted, I am expected to attend the Awards ceremony (18 June 2024). *The RQI team will follow up on attendance and related questions at the shortlisting stage.*

[Tick box]

I consent to the use of the information I have provided in this form: on the University of Sussex webpages, including the dedicated pages for the Sussex Impact Days event; and in analysis by the RQI and associated teams (relating to impact activity and capacity). *The RQI team will seek prior approval from you before publishing any material related to your application to make sure that no confidential material is published.*
