<input type="checkbox"/> MSc Energy Policy for Sustainability <input type="checkbox"/> MSc Innovation and Sustainability for International development <input type="checkbox"/> MSc Science and Technology Policy
Please tell us your postgraduate application number (if known)
↓

C. Educational qualifications

Please list qualifications and grades which you have already obtained or for which you are still studying:

Dates	University	Qualification (e.g. degree)	Subject	Grade, GPA	Date obtained or expected

D. Work experience

Please describe any work experience which is relevant to your proposed study programme:

Dates	Name of employer/organisation	Job title and responsibilities

E. Finances

In fairness to other applicants, we are unable to consider applications from candidates who have not already secured sufficient funds to meet their tuition fees and living expenses at the time of application (after taking account of the possible award of a Energy, Policy and Sustainability scholarship). Please state below how your tuition fees and living expenses will be met:

--

F. Personal statement

Energy, Policy and Sustainability scholarships will be awarded to students who possess the highest academic ability and potential, not on the basis of financial need. The selectors will pay special attention to the information you provide below.

Please tell us about your academic achievements and ambitions. In particular, please state why you believe that you should be considered for this scholarship:

--

G. Declaration

I hereby declare that I have understood and comply with the Eligibility criteria, and I make a true statement about my details.

Signature:	Date:
