Ross writes “I wondered if the steering group would like to have a Christmas greeting posted to our FB page? In particular, I thought it might be nice to do a screen capture of the steering group on Zoom to post to our group page... I was just thinking that it would be nice to give some ‘flesh’ (or names to faces) to the Club’s steering group on the FB membership page and taking a Zoom screen shot of us all on Friday 18th might be a nice way to get a ‘group’ photo in lieu of taking one ‘in vivo’.”
