Post Title: Lecturer in Finance

School/department: University of Sussex Business School

Hours: full time or part time hours considered up to a maximum of 1 FTE. Requests for [flexible working](#) options will be considered (subject to business need)

Contract: Permanent

Reference: 10917

Salary: starting at £44,414 to £52,841 per annum, pro rata if part time.

Placed on: 10 March 2023

Closing date: 11 April 2023 Applications must be received by midnight of the closing date.

Expected interview date: Week commencing 24 April 2023

Expected start date: No later than September 2023

The Department of Accounting and Finance is looking to recruit a full-time faculty member at the Lecturer level in the area of Finance. The position is open ended, and the Lecturer is equivalent to Assistant Professor in other countries. A specialisation in any of these areas Socially Responsible Investment, Climate Finance, Financial Econometrics, Machine Learning in Finance, would be highly desirable.

We are looking for an individual with an exciting research agenda that either complements or adds to the interests of our current faculty. The Finance Group has three existing research groups, Business Finance (BF), Quantitative Finance (QF), and Sustainable Accounting, Finance and Economics (SAFE), focusing on topics such as company finance in both public and private companies, venture capital, financial markets, derivatives, risk management, cryptocurrencies, sustainable finance, climate finance.

Candidates must be able to demonstrate their research has publication potential in top level journals, as indicated by rankings in the Finance and Economics ABS current journal ranking list and FT50 list.

The successful candidate will be an engaged academic who enjoys working in a dynamic, multidisciplinary environment and shows enthusiasm for collaborating with colleagues within the department and across disciplines.

They should have experience in teaching at undergraduate and postgraduate level, as well as a preparedness to teach specialist and core subjects.

For details of the members of the Accounting and Finance Department see: <https://www.sussex.ac.uk/business-school/accounting-finance/people/list>

Informal enquiries may be made with the Head of Department of Accounting & Finance Prof Radu Tunaru (R.Tunaru@sussex.ac.uk).

For full details and how to apply see our [vacancies page](#)

The University of Sussex values the diversity of its staff and students and we welcome applicants from all backgrounds.

1 Senior Leadership and Management

The Vice-Chancellor is the senior academic officer and, as Chief Executive, is responsible to the University Council for management of the University. He is supported by an executive group, which includes the Deputy Vice-Chancellor, the three Pro-Vice-Chancellors, the Chief Operating Officer, the Director of Finance and the Director of Human Resources. The Heads of the Schools of Studies at Sussex report to the Deputy Vice-Chancellor.

The Chief Operating Officer heads the Professional Services of the University. In addition, under the University Statutes, the Chief Operating Officer is Secretary to the University Council. The Director of Finance reports to the Vice-Chancellor, the Director of ITS and the Librarian report to the Chief Operating Officer.

2 The School / Division

The University of Sussex Business School is a unique research-focused interdisciplinary school, which takes a strong policy-directed view on business practices while also developing the underlying core disciplines. It includes the Department of Accounting and Finance, the Department of Strategy and Marketing, the Department of Management, the Department of Economics and the Science Policy Research Unit (SPRU).

With such excellent foundations the University of Sussex Business School offers something distinctive and special to the future of business and management research and education in the UK and beyond. It is exceptionally well placed to provide leadership in the development and dissemination of sustainable business and management practice, informed by sound economic logic.

3 The Department of Accounting and Finance

The Department of Accounting and Finance, founded in 2018, currently encompasses over 25 research-active faculty members, plus several other education and scholarship and teaching fellows. The Department is composed of two subject groups (Accounting and Finance) and a number of cross-disciplinary research groups (please see details at – <https://www.sussex.ac.uk/business-school/accounting-finance/research>). Successful applicants would be allocated to the appropriate subject group and invited to join (or potentially launch) a research group.

The Department currently hosts three undergraduate and three postgraduate programs entirely within the department, and several more degree programs are offered jointly with other Departments in the School and the University. This includes BScs in Accounting and Finance; Banking & Digital Finance; Finance and Business; Finance & Technology; and MScs in Accounting & Finance; Banking & Finance; FinTech, Risk & Investment Analysis; Management & Finance; Sustainable Finance & Accounting. Successful candidates will be expected to contribute to our teaching portfolio. The Department attracts students from all over the world, enhancing the cultural dimension of the learning experience. We also have many international links, collaborating with universities around the globe. Sussex is an inclusive, welcoming and truly international University.

4 CORE JOB DESCRIPTION

Job Title: Lecturer in Finance

Grade:	Lecturer (Research & Teaching focussed), Grade 8
School:	Business School, Accounting and Finance Department
Location:	Jubilee Building
Responsible to:	Head of School
Direct reports:	n/a
Key contacts:	Students, other members of Faculty within the School and University, School Officers, academics in the field in other institutions.
Role description:	Lecturer is a senior career-grade teaching and research position. Post-holders will be expected to show academic leadership in both teaching and research, and to support the management and strategic planning processes of the School and the University.

PRINCIPAL ACCOUNTABILITIES

1. To provide academic leadership in the design and delivery of high-quality teaching programmes.
2. To engage in high-quality research activity resulting in high-quality publications to be submitted to the REF at acceptable levels of volume and academic excellence;
3. To contribute to research projects or research initiatives in the School; to secure research funding and third-stream income;
4. To support the management activities of the School and University.

KEY RESPONSIBILITIES

1. Teaching & Student Support

- 1.1 Ensure that course design and delivery comply with the University quality standard and regulations, and take responsibility for the quality of programme units.
- 1.2 Regularly review and update course content and teaching materials, ensuring that they remain up-to-date and relevant, incorporating advances in the subject area and utilising appropriate technology.
- 1.3 Set, mark, and assess coursework and examinations; select appropriate assessment instruments and assessment criteria; and provide constructive and comprehensive feedback to students.
- 1.4 Actively maintain an understanding of appropriate pedagogy in the subject area.
- 1.5 Supervise taught postgraduate students, providing advice on study skills.
- 1.6 Undertake and complete administrative duties required in the professional delivery of teaching.
- 1.7 Undertake academic advising duties, and provide first-line support for sensitive issues, referring on as appropriate to services providing further assistance.

- 1.8 Adopt an approachable and accessible attitude towards students, offering office hours, informal advice etc.

2. Research, Scholarship & Enterprise

- 2.1 Contribute to the development of School research strategies and themes.
- 2.2 Identify and develop research objectives, and proposals for own or joint research.
- 2.3 Carry out independent research and act as a Principal Investigator or project leader on research projects.
- 2.4 Produce high-quality research outputs that have significant impact in the field, for publication in recognised high-quality journals.
- 2.5 Make presentations at national or international conferences or exhibit work in other appropriate events of a similar standing, and identify ways to disseminate research outputs informally via the internet, the media and other forms of public engagement.
- 2.6 Develop and maintain an independent research reputation by, for example, serving on peer review committees, and acting as a referee for journal articles and research grant applications.
- 2.7 Play an influential role in identifying sources of funding and secure and/or contribute to the process of securing bids.
- 2.8 Play a leading role in identifying and securing opportunities for enterprise activity, knowledge exchange income and/or consultancy.
- 2.9 Develop links with external contacts such as other educational bodies, businesses, the public sector, and professional bodies to foster collaboration and potentially generate a source of income.
- 2.10 Play a role in a relevant national professional body or recognised events.
- 2.11 Continually update knowledge and understanding in field or specialism, and engage in continuous professional development.

3. Contribution to School & University

- 3.1 Attend and contribute to School meetings.
- 3.2 Engage in activities beyond day-to-day teaching duties, for example Admissions Days.
- 3.3 Assist with undergraduate and postgraduate recruitment.
- 3.4 Undertake an administrative or organisational role within the School e.g. Library Representative, Year Tutor, Exam Board Chair, or personal/academic tutoring.
- 3.5 Undertake additional administrative duties, as required by the Head of School.

4. Role-specific duties

- 4.1 Lead the development of new courses/programs relating to Finance while ensuring that existing courses/programs are relevant and delivered to high quality standards.
- 4.2 Publish in top journals in Finance and adjacent areas such as Accounting or Economics
- 4.3 Pursue research grant applications and external engagements on Finance topics
- 4.4 Participate actively in the department internal seminar series
- 4.5 Deliver excellent teaching to our students at both UG and PG level
- 4.6 Promote research in Finance at the University of Sussex Business School through mass-media outlets

This Job Description sets out current duties of the post that may vary from time to time

without changing the general character of the post or level of responsibility entailed.

INDICATIVE PERFORMANCE CRITERIA

- Evidence of novel or innovative approaches to teaching supervision or assessment, including appropriate uses of technology.
- Sustained high-quality teaching across both undergraduate and postgraduate portfolios, as evidenced by surveys, questionnaires and peer review.
- Evidence of the integration of research, scholarship and professional practice with teaching activities.
- Regular published output of original research, with a significant proportion at international level (referred journal papers, monographs, book chapters, text books).
- Responsible for leading and managing a major research group.
- Sustained success in obtaining competitively awarded research and knowledge exchange grants and contracts, with evidence of leadership in securing such awards (for example, as Principal Investigator).
- Responsible and effective involvement in the broader arena of the School and/or University including, where appropriate, a role providing support, pastoral care and guidance to students or colleagues.

PERSON SPECIFICATION

ESSENTIAL CRITERIA

1. Educated to doctoral level as appropriate to the discipline (see role-specific criteria below). Applicants who submitted their thesis and waiting for viva will be considered.
2. Excellent interpersonal skills, with the proven ability to engage with students using a variety of different methods.
3. Experience of high-quality teaching at undergraduate and/or postgraduate level.
4. Track record of significant and high-quality publications in top journals in Finance.
5. Evidence of proactive contribution to School and/or University.
6. Excellent presentation skills, with the proven ability to communicate effectively, both orally and in writing, with students, colleagues and external audiences.
7. Ability to exercise a high degree of innovation and creative problem-solving.
8. A willingness to participate in support activities beyond normal teaching duties.

ESSENTIAL ROLE-SPECIFIC CRITERIA

1. Evidence of potential to publish in top journals (ideally rated 4 and 4*) in the Finance ABS ranking list.
2. A willingness to teach modern Finance modules such as Socially Responsible Investments, Digital Banking, Financial Econometrics, Machine Learning in Finance, Big Data Science in Finance.
3. Ability to provide online teaching materials.
4. A willingness to apply for research grants in collaborative interdisciplinary networks.
