Post Title: Lecturer in Physician Associate Studies MSc

School/department: Brighton and Sussex Medical School/ Department of Medical Education

Hours: Full-time or part-time hours considered up to a maximum of 1.0 FTE. These can be split across applicants depending on clinical commitments and skill sets. Requests for flexible working options will be considered (subject to business need).

Location: Falmer, Brighton, United Kingdom

Contract: Permanent

Reference: 20705

Salary: starting at £44,414 to £52,841 per annum, pro rata if part-time.

Placed on: 13 June 2023

Closing date: 10 July 2023. Applications must be received by midnight of the closing date.

Expected interview date: To be confirmed

Expected start date: As soon as possible.

- We are looking for an enthusiastic and experienced medical educator (Physician Associate or Doctor) to join our growing and dynamic team. Applicants should have clinical experience as a PA or Doctor in primary and/or secondary care.
- The post holder would be supported in having high-level responsibility for reviewing existing course materials and developing new and inclusive content and/or modules. They will help ensure that course content maps to the national curriculum requirements as laid out by the GMC.
- They would develop and support new initiatives and assessment materials as part of their teaching portfolio. They will assist the course lead with course administrative requirements.
- The post holder would be a strong advocate for the role upholding high professional standards for both them and the students.
- The BSMS MSc in Physician Associate Studies is a highly successful programme that was established in 2016. Our students consistently perform very well in the PA national examination.

Interested applicants are welcome to discuss the role further with the Course Lead Kate Bascombe: K.Bascombe@bsms.ac.uk 07795044701

The University is committed to equality and valuing diversity, and applications are particularly welcomed from women and black and minority ethnic candidates, who are under-represented in academic posts in Science, Technology, Engineering, Medicine and Mathematics (STEMM) at Sussex.

For full details and how to apply see: www.brighton.ac.uk/jobs www.bsms.ac.uk

The University of Sussex values the diversity of its staff and students and we welcome applicants from all backgrounds.

3. Job Description

Job Title:	Lecturer in Physician Associate Studies
Grade:	Lecturer B (Education & Scholarship), Grade 8
School:	Brighton & Sussex Medical School, Dept of Medical Education
Location:	Falmer Campus
Responsible to:	Head of School
Direct reports:	n/a
Key contacts:	Students, other members of Faculty within the School and University, School Officers, academics in the field in other institutions.
Role Description	Lecturer B is a career-grade teaching position. Post-holders will be expected to take full responsibility for the design, management and delivery of their own teaching. They will also be expected to provide support and guidance to less experienced members of staff.

PRINCIPAL ACCOUNTABILITIES

1. To design and deliver high-quality teaching programmes that are attractive to students.
2. To contribute fully to the School and University by playing a significant role in working groups, committees, and other School and University activities.

KEY RESPONSIBILITIES

1. Teaching & Student Support

- 1.1 Engage in the planning, delivery and assessment of innovative high-quality undergraduate and postgraduate teaching, in liaison with the relevant programme and course convenors.
- 1.2 Identify, design, develop and manage new curriculum proposals that are attractive to students.
- 1.3 Develop high-quality inclusive teaching materials, methods and approaches, take responsibility for their quality, and ensure that they meet defined learning objectives.
- 1.4 Ensure that teaching materials remain up-to-date and relevant, incorporating advances in the subject area into the course of study, and utilising appropriate technology.
- 1.5 Set, mark, and assess coursework and examinations; select appropriate assessment instruments and assessment criteria, and provide constructive and comprehensive feedback to students.
- 1.6 Undertake continuous professional development to maintain an understanding of appropriate pedagogy in the subject area.
- 1.7 Supervise the work of undergraduate and taught postgraduate students, providing advice on study skills.
- 1.8 Contribute to the accreditation of courses and quality-control processes.
- 1.9 Undertake and complete administrative duties required in the professional delivery of teaching.
- 1.10 Undertake academic advising duties, and provide first-line support for sensitive issues, referring on as appropriate to services providing further assistance.
- 1.11 Adopt an approachable and accessible attitude towards students, offering office hours, informal advice etc.
- 1.12 Supervise student projects, fieldtrips and, where appropriate, placements.
- 1.13 Supervise the work of others, and co-ordinate work to ensure modules are delivered to the required standards.

2. Scholarship & Enterprise

- 2.1 Make presentations at conferences, or exhibit work in other appropriate events, and identify ways to disseminate results of scholarly activity informally via the internet, the media, and other forms of public engagement.
- 2.2 Identify sources of funding and secure or contribute to the process of securing bids.

- 2.3 Identify and secure opportunities for enterprise activity, knowledge exchange income and/or consultancy.
- 2.4 Actively build internal and external contacts, and play a key role in internal networks and relevant external networks in order to, for example, identify sources of funding, secure student placements, and build relationships for future activities.
- 2.5 Supervise doctoral students as part of a supervision team.
- 2.6 Contribute to a relevant national professional body or recognised events.
- 2.7 Continually update knowledge and understanding in field or specialism, and engage in continuous professional development.
- 2.8 Engage in subject, professional and pedagogic research as required to support education activities
- 2.9 Extend, transform and apply knowledge acquired from scholarship to education and appropriate external activities
- 2.10 Conduct individual or collaborative scholarly projects
- 2.11 Develop and produce learning materials and disseminate the results of scholarly activity

3. Contribution to School & University

- 3.1 Attend and contribute to School meetings.
- 3.2 Engage in activities beyond day-to-day teaching duties, for example Admissions Days.
- 3.3 Assist with undergraduate and postgraduate recruitment.
- 3.4 Undertake an administrative or organisational role within the School e.g. Library Representative, Year Tutor or personal academic tutoring.
- 3.5 Play a key role in School or University working groups or committees, as required.
- 3.6 Advise and provide support to less experienced colleagues.
- 3.7 Conduct risk assessments, and take responsibility for the health and safety of others, if required.
- 3.8 Undertake additional administrative duties, such as time-tabling, examinations, assessment of progress and student attendance, as required by the Head of School.

4. Role-specific duties

- 4.1 Assist the course lead with course administrative requirements.
- 4.2 Review existing course materials and develop new and inclusive content. Ensure that content maps to the GMC national curriculum requirements: PARA content map.

- 4.3 Deliver teaching to year 1 and year 2 PA students across all teaching themes and modules: clinical sciences, clinical examination skills, communication skills, as requested by the course lead and in line with the PARA Content Map.
- 4.4 Prepare Single Best Answer (SBA) questions and OSCE stations across all teaching themes for both year groups, to enhance the number of items available in the PA assessment databases.
- 4.5 Engage in OSCE examining activities for the PA programme and the medical school (as needed).
- 4.6 Look to continue and develop a national teaching profile through engagement with for example PASC (PA Schools Council) and the Faculty of Pas (FPA).
- 4.7 Act as a Personal Tutor for year 1 and year 2 students.

This Job Description sets out current duties of the post that may vary from time to time without changing the general character of the post or level of responsibility entailed.

INDICATIVE PERFORMANCE CRITERIA

1. A record of development of new modules/groups of modules, course or significant components of schemes of study or CPD courses.
2. Proven and sustained track record of successful teaching at the levels appropriate for the post.
3. A high standard of teaching performance as judged by standard evaluation methods.
4. Evidence of using feedback information from a range of sources to improve the student experience.
5. Evidence of using knowledge arising from research and scholarship to enhance teaching and curriculum development.
6. Evidence of engagement in advising students and proactively responding to student problems.
7. Evidence of contributions to a relevant national professional body or recognised event.
8. Evidence of identifying and employing current pedagogic best practice to improve the student experience.
9. Involvement in the creation, transfer and use of results of research through a range of knowledge exchange activities.
10. Success in transferring research results into commercial, professional, public sector or other practical use.

PERSON SPECIFICATION

ESSENTIAL CRITERIA

1. Normally educated to doctoral level, or other equivalent qualification, or appropriate level of experience, as appropriate to the discipline (see role-specific criteria below).
2. Excellent interpersonal skills, with the ability to engage with students using a variety of different methods.
3. Experience of teaching at undergraduate and/or taught postgraduate level.
4. Excellent presentation skills, with the ability to communicate effectively, both orally and in writing, with students, colleagues and external audiences.
5. Ability to work individually on own initiative and without close supervision, and as part of a team.
6. Ability to exercise a degree of innovation and creative problem-solving.
7. Excellent organisational and administrative skills.
8. Ability to prioritise and meet deadlines.
9. A willingness to participate in support activities beyond normal classroom duties.
10. Excellent IT skills, with the ability to produce high-quality learning support materials.

ESSENTIAL ROLE-SPECIFIC CRITERIA

1. Qualification as a Physician Associate or Doctor
2. Experience working as a Physician Associate in primary and/or secondary care
3. Proven experience in the delivery of high-quality PA education
4. Knowledge of PA educational needs
5. Registered with relevant regulatory body: PA Managed Voluntary Register or GMC

DESIRABLE CRITERIA

1. Experience of successful curriculum design or re-design.
2. A recognised higher education teaching qualification.
3. Experience of supervising postgraduate research student projects.
4. Emerging record of developing an education portfolio with some focus on scholarship
