**Expected start date:** As soon as possible

The University of Sussex is seeking to recruit four experienced, creative and highly motivated Academic Developers to help implement and realise the aims of the University’s exciting Learn to Transform education strategy.

The successful applicants will play an important role in enhancing educational practice across the institution, contribute to efforts to evolve the University’s academic framework and will work collaboratively with colleagues and students across academic schools to enrich and innovate curricula.

Candidates will have a strong pedagogical understanding, knowledge of and experience in the use of educational technologies and a reputation of supporting excellence and innovation in teaching, learning and scholarship. This will be a challenging and demanding role, requiring excellent communication skills, the ability to work collaboratively, personal organisation and flexibility. A commitment to continuing professional development is essential.

If you would like to discuss the role in more detail, please contact: Dr David Walker PFHEA, Head of Technology Enhanced Learning [d.j.walker@sussex.ac.uk](mailto:d.j.walker@sussex.ac.uk)

For full details and how to apply see our [vacancies page](#)

*The University of Sussex values the diversity of its staff and students and we welcome applicants from all backgrounds.*
2. Senior leadership and management

The Vice-Chancellor (Professor Adam Tickell) is the senior academic officer and, as Chief Executive, is responsible to the University Council for management of the University. He is supported by an executive group, which includes the Deputy Vice-Chancellor, the three Pro-Vice-Chancellors, the Chief Operating Officer, the Director of Finance and the Director of Human Resources. The Heads of the Schools of Studies at Sussex report to the Deputy Vice-Chancellor.

The Chief Operating Officer heads the Professional Services of the University. In addition, under the University Statutes, the Chief Operating Officer is Secretary to the University Council. The Director of Finance reports to the Vice-Chancellor, the Director of ITS and the Librarian report to the Chief Operating Officer.

3. The Division for the Student Experience

The Division for the Student Experience provides a range of administrative, academic and support services focussed on improving the student experience, both directly to students and also to colleagues in Schools and Departments. Our services include:

- Technology and Enhanced Learning and academic practice development
- Academic quality and enhancement
- The management of student complaints and appeals processes, and compliance with UKVI regulations related to students
- Development of academic policy and procedures, including assessment regulations
- Student registration and ongoing maintenance of student records
- Timetabling of teaching and management of room bookings
- The management of student progress and assessment including the organisation of all formal examinations
- The Doctoral School
- Research Student Administration
- Statutory returns including HESA
- Careers and Employability Centre
- Counselling, Health and Wellbeing
- International Student Support
- Student Life Centre
- Student Support Unit
- Sussex Regional ACCESS Centre
- Chaplaincy

This post is located in Technology Enhanced Learning (TEL) which provides specialist services focussed on enhancing educational practice, supporting innovation in teaching and enriching student learning. The team comprises a group of professional educators, digital learning specialists and experts in project delivery and online user engagement. The team works collaboratively with Schools and Professional Service divisions to develop academic practice, provide advice, deliver courses of the highest quality and support in the effective and innovative use of technologies in teaching, learning and assessment.
4. Job Description

Department: Academic Services
Section: Student Experience
Job title: Academic Developer
Grade: 7
Responsible to: Head of Technology Enhanced Learning
Responsible for: N/A

Job Purpose:

This is an exciting new central role which will connect with a defined cluster of academic schools to support the development, enhancement and innovation of academic practice across the institution.

Responsible for establishing and delivering a comprehensive programme of work to ensure that academic staff and those supporting learning have access to pedagogical guidance and a range of resources to support their learning and teaching roles, curriculum development and the leadership of courses of study.

The post supports institutional efforts to assure academic standards and evolve educational practice across the University, guided by the aims of the University’s Learn to Transform education strategy and associated projects and initiatives designed to deliver a truly exceptional student learning experience.

The post holder will make a contribution to the evolution of the University’s Academic Framework and underlying curriculum design to facilitate new/innovative forms of delivery and assessment.

Key Duties and Responsibilities

1. Contribute to development of the University’s Academic Framework and academic policies in line with the aspirations of the Learn to Transform education strategy in collaboration with University leadership and Schools.

2. Develop new/innovative approaches to academic practice in consultation with colleagues.

2.1. Provide a strategic overview of academic development needs and responses across your designated cluster of Schools to inform the design and delivery of appropriate enhancement activities.

2.2. Develop collaborative relationships with Directors of Learning and Teaching and academic and professional service colleagues involved in learning and teaching across the institution as well as external agencies and individuals within the field of academic development.
2.3 Working in collaboration with academic staff in your designated cluster of Schools provide specialist guidance and support for the planning and development of teaching, learning and assessment and innovation of the student educational experience.

3. **Design and deliver academic development activities to help meet the University’s key learning and teaching priorities including assessment and feedback, student retention, progression, engagement, achievement and inclusivity.**

3.1. Proactively plan academic development provision and activities in line with issues raised at the School and Institutional level as the result of staff and student evaluations of programmes, survey data, requirements of professional and statutory bodies and feedback from external examiners.

3.2. Provide expert input and facilitation to University-wide workshops and other professional and curriculum development activities to enhance learning and teaching at the University ensuring accessibility to all staff including those with disabilities/specific learning differences.

3.3. To promote and support scholarship and pedagogic research in academic practice.

3.4. Contribute to institutional development programmes and initiatives including the Postgraduate Certificate in Higher Education.

4. **Contribute to the assurance of academic standards and enhancement of academic practice through active support for Schools with validation events, periodic reviews and other aspects of curriculum development.**

4.1. Work closely with course teams to prepare for validation and periodic review and assist their decision-making in relation to curriculum design, especially regarding inclusive practice and the embedding of the University’s graduate attributes.

4.2. Participate in internal/external review procedures as required.

4.3. Produce written reports and papers for institutional meetings or committees, such as the University Education Committee as required.

5. **Identify, celebrate and disseminate effective practice in learning, teaching and assessment across the University.**

5.1. Contribute to and support the organisation of institutional educational awards, teaching and learning events and other enhancement activities.

5.2. Support colleagues prepare for professional recognition.

6. **Maintain ongoing professional development in the field of higher education academic practice.**

6.1. Engage in relevant regional and national networks and projects so that best practice can be evaluated and transferred to the University where appropriate.

6.2. Undertake research, monitor or formally evaluate projects or initiatives as required.
6.3. Maintain and enhance specialist knowledge and understanding of learning and teaching issues in higher education.

This Job Description sets out current duties of the post. Duties may vary from time to time without changing the general character of the post or the level of responsibility entailed.
