The University of Sussex is seeking an accomplished and experienced professional to join the Housing Services Management Team to lead, support and develop our housing team managers and to take ownership of the day to day running of the friendly Housing Office within Housing Services, whilst shaping our customer service excellence approach. This is an opportunity to make your mark in the University sector in a caring, and well supported department.

Taking the team with you, caring for and seeing the potential in everyone is essential.

Our ideal candidate will have outstanding interpersonal skills, extensive team management experience, proven business administration skills and a strong resonance with the vision and values of the University.

Ideally, you will also have experience of working in a Housing Environment and have specialist knowledge of areas of the Landlord and Tenant Act. What is more essential however, is your ability to champion our service, care about our customers (students, residents, landlords, parents, partners, community groups and internal colleagues), maintain high levels of accuracy and attention to detail, be customer focused and personable.

The role-holder will work collaboratively with partners, internally and externally to oversee and coordinate the day-to-day work of the Housing Services teams.

You will join the service at an exciting time for student accommodation at Sussex, as we continue to refresh and expand our housing portfolio of over 5000 on and off campus bed spaces whilst safeguarding a quality student housing experience.

Excellent leadership skills, initiative and the ability to communicate effectively, both orally and in writing, are essential, as is the ability to solve problems and make recommendations.

A relevant degree or equivalent work experience in a Housing environment is essential, and a recognised qualification / background in either Housing, or people management/customer service is desirable.
