Recommendation	To NOTE

UNIVERSITY OF SUSSEX

The Committee is asked to note that the following courses were validated as part of Periodic Review 2012. Note that the proposal for the BSc Ecology and Conservation in Life Sciences was a Major change requiring re-validation.

The summary reports for these validation events are included in the final Periodic Review reports included elsewhere on the agenda:

BMEc

MSc Energy Policy for Sustainability

MSc Innovation and Sustainability for International Development

Engineering and Informatics

MSc Sustainable Energy Technology

LPS

MA Corruption and Governance

LLM International Commercial Law

MPS

MSc Frontiers of Quantum Technology

MMath Mathematics with Physics

MFM

MA Media Practice for International Development
