

# Imagine if our world was ...

**An online community arts project by and for children and young people in Covid-19 times**

**CIRCY is inviting children and young people to take part in our online community arts project by sharing their original artworks and poems (or other short writings) on the theme: 'Imagine if our world was ...'**

If you're under the age of 18, we want to know your views, feelings, thoughts, hopes and ideas on this theme - as a drawing or painting, a collage or sculpture, or as a poem or a short story - or any other other text (under 100 words) or art form.

**We just want you to... imagine and create!**

Once you have created your artwork, you just need to take a photograph of it and send it to us via our website.

If it is a poem or other writing, you can just send us the text.

We will select as many texts or images as possible to display in an online gallery on our website that you, your family and friends can access and look at any time.

Some artworks will also be published in our Annual Report.

If yours is one of them, you will receive a £10 voucher.

The piece that makes the cover will win a £20 voucher.

**Details at [www.sussex.ac.uk/esw/circy](http://www.sussex.ac.uk/esw/circy)**
