## Plan Early

Remember, the pandemic continues to affect travel in many ways. Bookers and travellers should plan well in advance and consider requirements around testing, quarantine, vaccine status, visas, face masks and general covid-related border entry restrictions.

Many destinations require evidence of negative PCR tests, pre-booked tests, on/offline forms, as well as other documentation and evidence. You may also require extended passport validity.

- Key Travel customers can benefit from a 5% discount for a [Boots PCR test](#).
- For latest country information please check the [FCDO Travel Advice Page](#).
- Check the [Key Travel Covid Microsite](#) for further useful information.
