

GII Survey Report

Selection: Malaysia.

1) Malaysia, 1935 - 1935

Survey ID: 629

16 households

Ref ID: 618

W. J. Vickers and J. H. Strahan, *A health survey of the state of Kedah with special reference to rice field malaria, nutrition and water supply* (Kuala Lumpur: Kyle, Palmer & Co., Ltd, 1936)

2) Malaysia, 1940 - 1940 (Academic - Individual)

Survey ID: 630

9 households

Sample Duration: 8 Month(s)

Notes: Anthropological/sociological study of a small fishing village in Kelantan, on the north-east coast of Malaysia.

Quantitative data mainly focuses on household expenditure rather than income. Weekly expenditure of the fishermen's families examined. Families not particularly well off by local standards nor abnormally poor.

Ref ID: 619

Rosemary Firth, *Housekeeping among Malay peasants* (London: Athlone Press, Univ. of London, 1943, 1966 2nd ed)

Selection: Malaysia.

3) **Malaysia, 1948 - 1948 (Institute for Medical Research)**

Survey ID: 1944

126 households

Sample Duration: 2 Month(s)

Notes: Objectives: to study the state of health of certain groups of people; to show how this is affected by diet; to define factors which determine diet.

Survey of 3 occupational groups in lower income levels:

- 1) community employed in smallholder agriculture on coastal plain of Malacca: 50 households
- 2) community employed in fishing not far away from group 1: 37 households
- 3) community employed as labour in rubber estate: 39 households

Each group was surveyed for 2 months in 1948.

Selection of households at random.

Ref ID: 1943

R. C Burgess and Ladin Bin Alang Musa, *A report on the state of health, the diet and the economic conditions of groups of people in the lower income levels in Malaya* (Kuala Lumpur: Institute for Medical Research, 1950)

4) **Malaysia, 1957 - 1958 (Dept. of Statistics)**

Survey ID: 1427

2,760 households

Sample Duration: 1 Year(s)

Notes: Family budget survey conducted between April 1957 and March 1958.

Urban (840 households), rural (1920 households), whole country - 5 representative cities and selected rural districts; all types of households.

Report on the Sample Survey of Consumption and Expenditure, income and housing conditions of 2,760 Malay, Chinese and Indian households in urban and rural areas, undertaken by the Dept. of Statistics in order to secure the necessary information regarding patterns of consumption and expenditure for the preparation of new indices of retail prices.

Selection: Malaysia.

Ref ID: 1468

Department of Statistics Federation of Malaya, *Household budget survey of the Federation of Malaya 1957-58; report ... of consumption and expenditure, income, and housing conditions of 2,760 Malay, Chinese and Indian households in urban and rural areas* (Kuala Lumpur, [No Date])

Ref ID: 1915
