

**Application to Change Mode of Registration
(Distance Learning to Full-Time or Full-time to Distance Learning)**

Before completing this application form please read the following notes:

- 1) You must apply to change your registration status in advance. Changes to registration status take effect from the beginning of the next month.
- 2) Please be aware that changing your registration status will change your rate of tuition fees. Contact studentaccountspgadmin@sussex.ac.uk before proceeding.
- 3) If you are in receipt of a scholarship through the University, please contact pgr-scholarships@sussex.ac.uk before proceeding as a change in mode of registration may affect your eligibility to continue to receive funding.
- 4) If you are in receipt of a scholarship from a source outside the University (e.g. a government scheme), you should contact the funder directly for advice on the implications of a change in mode of registration status before proceeding with a request.
- 5) If you are in receipt of a student loan from Student Finance England, please contact SFE before proceeding as a change of registration status may affect your loan entitlement and payment plan.
- 6) If you are in receipt of a US Federal Direct Loan, then this request may have an impact on your funds. Please seek advice from usfinancialaid@sussex.ac.uk before proceeding.
- 7) **Important:** International postgraduate researchers (PGRs) on a Student visa should seek advice from our [International Advisors](#) on the implications of changing your mode of registration. Once a change to distance learning is approved, the University will withdraw sponsorship of your visa and you will no longer be eligible for the Graduate Route visa. It is your responsibility to ensure you fully understand the implications of this change of study location decision for your future ability to live and work in the UK.
