

## Research degrees receiving approved variations and derogations to regulations, policies and procedures

The following research degrees have received approval for a variation or derogation to the stated regulation, policy or procedure. All research degrees and associated variations/derogations are overseen by the Postgraduate Researcher Sub-Committee (PGRSC), which reports into University Research and Innovation Committee and onwards to Senate.

Any questions about any of the below should be directed to the Research Degrees Manager via [pgr-governance@sussex.ac.uk](mailto:pgr-governance@sussex.ac.uk).

Research Degree	Document reference(s)	Summary	Approval (most recent first)
PhD in Accounting (SEDarc) (N3013R)	<ul style="list-style-type: none"> <li>Regulation 23</li> <li>Procedures on Research Degrees</li> </ul>	<p>Versions of existing research degree routes to accommodate requirements of funder (ESRC), with the following variations/derogations:</p> <ul style="list-style-type: none"> <li>Course length: standard award 3.5 years (including 3 month placement); 4.5 year award available to those without core social science training. Extra year (year 1) or PT equivalent devoted to a Master's degree (typically MSc in Social Research Methods) with award at end of year 1.</li> </ul>	29 April 2025 (PGRSC)
