

## Electronic Deposit Agreement

If the examiners recommend that a research degree should be awarded (and following the completion to the satisfaction of the examiner(s) any required corrections) a postgraduate researcher (PGR) must deposit their thesis (and/or other examined material) in accordance with the University's requirements. This includes uploading a copy to Sussex's institutional repository: Sussex Research Online. For more information, see the [Procedures on Research Degrees](#).

As per section 12 of the [Procedures on Research Degrees](#), failure to deposit the thesis in accordance with these requirements, and within the deadlines stipulated in the relevant correspondence from the Examinations and Assessment team, will mean that the PGR will not have met the requirements of the research degree, and will be deemed to have failed.

Please complete and sign this form to confirm that you have read and understood the information below in relation to the electronic deposit of your thesis. **Once completed and signed, please send this form to [PGR-exams@sussex.ac.uk](mailto:PGR-exams@sussex.ac.uk)**
