

Exceptional Circumstances Extension Request

As per the [Policy on Research Degrees](#) (see section 7), extensions are granted only in exceptional circumstances, namely, where a postgraduate researcher's (PGR's) work has been hampered by documented exceptional medical or personal or, in the case of part-time PGRs, employment reasons. The magnitude of the research task, or failure to perceive or act upon the magnitude of the research task, is not a sufficient reason for an extension, nor is the need, in itself, to take employment.

Extensions will be considered up to a maximum of one year in total for full-time PGRs and two years in total for part-time PGRs. Any request must be made in multiples of 3 months (minimum 3 months, maximum 12 months) and approved by both the main supervisor and the Director for PGRs (DPGR, or School equivalent).

If you have already had the maximum permitted amount of extension, in exceptional circumstances a further period of extension may be approved by the Chair of the PGR Sub-Committee. To request an exceptional period of extension, please use this form.

Before completing this application form, please read the following notes:

1. Extension requests will not normally be considered until the PGR is within three months of the end of their maximum period of registration.
2. Your funding and/or visa status may impose additional restrictions upon your ability to extend your maximum period of registration, which are beyond the control of the University:
 - PGRs subject to UKVI requirements should consult the UKVI Compliance team (PGR-visas@sussex.ac.uk) before making any changes to their registration.
 - If you are in receipt of a scholarship through the University, please contact pgr-scholarships@sussex.ac.uk for advice on the implications of extending your maximum period of registration.
 - If you are in receipt of a scholarship from a source outside the University (e.g. a government scheme), you should contact the funder directly for advice on the implications of extending your maximum period of registration.
 - If you are in receipt of a Federal Direct Loan, this request may have an impact on your funds. Please seek advice from the Financial Aid Office (usfinancialaid@sussex.ac.uk) before proceeding.
3. Exceptional circumstances extension requests must be accompanied by a detailed timeline and plan for the period to submission. Requests will not be considered without this supporting documentation.
