

# International Particle Physics Masterclass at the University of Sussex

**Friday 3<sup>rd</sup> April, 2020 for A-level students**

Activities include:

- An interactive introduction to particle physics
- Particle physics detector demonstrations
- Live videoconference with scientists at CERN
- Research lab talk: particle physics at Sussex
- Research lab tour: particle physics experiments at Sussex

This event runs 10am-4pm at the University of Sussex in Falmer, Brighton, and is free for school & college students to attend.

For more information or to book your place, email [physicsoutreach@sussex.ac.uk](mailto:physicsoutreach@sussex.ac.uk)
