PART II – MATTERS FOR DISCUSSION AND/OR DECISION

4. PPL Application

The AWERB RECEIVED a presentation from [Name] for a PPL for secondary availability at Sussex on “Individual variation in synaptic neurobiology underlying incentive motivation and addiction-like behaviour.” (AWERB/58/02)

The AWERB noted that the animal usage figures may need to be amended based on the number of animals used already on the Project Licence. Furthermore AWERB agreed that they would prefer for the University of Sussex to hold Primary Availability as opposed to Secondary and recommends that the applicant liaises with the Home Office Inspector on this matter.

5. Terms of reference and Composition Review

The AWERB REVIEWED the Terms of Reference and Composition (AWERB/58/03) and agreed that the Terms of reference should be updated to reflect the following:

- Activities and purpose of an AWERB
- Set objectives
- Reflection on broader ethical issues on animal use
- Promote the 3Rs
- Cultivate a culture of care
- Support training and competency activities.

[ACTION: A small working group will convene to revise the AWERB Terms of Reference. This will consist of [Name], [Name] and an external person not currently on the AWERB. Secretary to provide the information compiled as a result of the ASC and AWERB Hub Chairs Report]

The AWERB were informed that this would be the last meeting for [Name] who is standing down as lay member due to other University ethics commitments.

6. Report from the Chair

The AWERB RECEIVED a verbal report from the Chair. Of note:

- The Chair thanked [Name] for his commitment to the AWERB over the last year.
- The Chair also expressed his thanks to the previous Home Office Inspector [Name] for his commitment to the AWERB and the Biomedical Research Facility (BRF) over a number of years.
- The £1m spend to address the critical areas of concerns in the BRF is now in place. [ACTION: [Name] to write a report outlining the issues raised by and how the £1m used will mitigate the risks going forward]
- [Name] is the Chair of the project Board and is taking the lead on this. [ACTION: Secretary to invite [Name] to next AWERB to update on the project]

7. Named Animal Care & Welfare Officer (NACWO)

The AWERB RECEIVED an update report from the NACWO. (AWERB/58/04) Key points:
• A new Home Office Inspector visited 31st July 2019. (handover from)

• [REDACTED] has been appointed as the new Deputy BRF Manager and will start on 30 September 2019.

• One condition 18 report submitted since the last AWERB report.

• The new electronic system used for licensing by the Home Office “ASPeL” is now up and running and all new applications and amendments will be done via this new system.

• Researcher training continued including review of schedule 1 training.

• Animal Management database tender ongoing.

• BRF web pages are being updated.

• There was an issue with the timer for the reverse lighting cycle in the room [REDACTED]. A piece of work is ongoing to review the timers within the [REDACTED]/[REDACTED]. [ACTION: to prepare a report for the next AWERB meeting setting out what has been done to ensure that an incident like this will not reoccur and implications for other animals]

8. Report from the Named Veterinary Surgeon (NVS)

The AWERB NOTED the update from the Named Veterinary Surgeon (NVS). Of note:

• Following two post-surgery deaths the NVS is looking into methods to improve post-operative care.

• This could include providing animals with warmth for a day or two after surgery, or all animals that have undergone surgery could be held in one room which has an increased temperature.

• NVS will push this additional care need with users over the coming months. [ACTION: NVS to provide an update on this at the next AWERB meeting]

9. Animals in Science Committee (ASC) and AWERB Hub Chairs Workshop.

The AWERB DISCUSSED the Animals in Science Committee (ASC) and AWERB Hub Chairs Workshop report. (AWERB/58/05)
