Guide to completing the Tier 4 online application from within the UK

This document will help you to complete the Tier 4 online form for applications made in the UK. Before using this guide please check whether you are eligible to make the application from within the UK or not. For more information see “Applying if you have Tier 4 (General) leave” to check this:

http://www.sussex.ac.uk/study/international-students/visas-immigration/tier-4-student-visa-within-uk

This guide will not go through every question on the visa application form. We highlight the questions which we feel need some additional explanation.

Before you start the application you need to make sure you have the following documentation ready:

- CAS from University of Sussex – this contains information about your course and course fees that you will need to input in your visa application
- Passport
- Current visa – either a sticker in your passport or your Biometric Residence Permit
- Police Registration Certificate (if you have one). Please note that if you have entered the UK on a visa of less than 6 months (for example for the 10 or 5 week pre-sessional course) you should not have been required to register with the police
- Financial documentation
- Qualifications used to admit you onto your course at Sussex. These will be listed on your CAS
- your original qualification certificates/official transcript confirming that you completed your previous course (as evidence that you’re making academic progress). This may be the same as the certificates mentioned above.
- Money to pay the visa application fees

Follow the instructions on this guide to complete the online application. If you would like an International Student Adviser to check your documents before you submit the visa application, please come to our office to request a document check appointment:

Your current UK immigration status

Do you currently have a visa or leave to remain?

☐ Yes  ☐ No

What type of visa or leave to remain do you have?

Tier 4 (General) leave to remain

Have a different visa or leave to remain

Enter your current visa details as requested here. Most students should have a current Tier 4 visa. If you have a different type of visa or your current visa has expired, please contact an adviser in International Student Support – immigration@sussex.ac.uk
Revocation, cancellation or curtailment

Has your visa or leave to remain ever been revoked, cancelled or curtailed?
This means your visa or leave was withdrawn after it had been granted. You would have been informed by the Home Office.

☐ Yes  ☐ No

Most students should answer No to this question. If you think your visa may have been withdrawn in the past, please contact an adviser for advice.

Your most recent leave

Was your most recent leave as a Tier 4 student, as a Student or as a Postgraduate Doctor or Dentist?

☐ Yes  ☐ No

Save and continue  Cancel

If you have a current Tier 4 visa answer YES. If you have another type of visa please contact an adviser for advice to check you can switch to Tier 4 from within the UK – immigration@sussex.ac.uk
Police registration

During your current or last grant of leave in the UK, were you required to register with the police?

Certainly nationalities are required to register with the police as a condition of their leave. If this condition applied to you, you will have been instructed to register with your local police station when you were granted your last period of leave in the UK. The requirement to register with the police also features on your visa or your Biometric Residence Permit, if you are required to have one.

- Yes
- No

Only nationals of certain countries coming to study for longer than 6 months are required to register with the police - [http://www.sussex.ac.uk/internationalsupport/immigration/policeregistration](http://www.sussex.ac.uk/internationalsupport/immigration/policeregistration)

The online form should automatically detect if you are a national of one of these countries when you entered your nationality details previously, so you may not see this question.

Answer NO if your current visa does not have a Police Registration condition. If you are an SCLS student on the 10 week or 5 week pre-sessional, you should normally answer No.

Students who do have a Police Registration Certificate (PRC) must answer YES and ensure that it is up-to-date and reflects the current address where you are currently living. If your address (or any other details) need updating on the certificate, see the above link on how to do this.

Your biometric residence permit (BRP)

Do you have a biometric residence permit?

This is a card with your name, nationality and picture. It describes your entitlement to be in the UK.

- Yes, I have a biometric residence permit
- No, I had a biometric residence permit for my most recent leave, but I do not have it now
- No, I did not have a biometric residence permit for my most recent leave
Select YES if your current visa was issued as a BRP, which looks like this:

If YES, enter the number in the top right hand corner of your BRP.

If you do not have a visa in the format of a BRP and it is a sticker in your passport, please select the final No option.

A national insurance number is only issued to you if you request one from a Job Centre and are intending to work, or have worked in the UK. If you have been issued one enter it here. If not tick the box that says ‘I do not have a National Insurance number…’
Part 5 - English Language

Please note that if you are a national of a majority English speaking country, the application form will detect this from the nationality you inputted earlier, and you will not be asked the following questions.

Study as a Tier 4 (Child) student

Have you studied in the UK as a Tier 4 (Child) student?

- Yes
- No

Answer this appropriately. A Tier 4 (Child) visa is only issued to someone under 18, so most students will answer No.

English language assessment

If you are studying at a higher education institution, have they assessed that you meet the English language requirement, or that you are a 'gifted student'? You can find this information on your Confirmation of Acceptance of Studies (CAS) statement, if you have one.

- Yes
- No

Please check your CAS. If it states ‘Higher Education Institution (HEI) sponsor has made assessment’ then answer YES to this question. If you answer No, the following question will appear:
Degree from an English speaking country

Have you studied an academic course in a majority English speaking country that is equivalent to a UK degree or above?

☐ Yes  ☐ No

If you hold a degree or above from a majority English speaking country, answer YES. You will need to input the details of the degree and what evidence you intend to submit.

Please note that you should have answered YES to one of these two questions if you are studying a degree level course or above with Sussex.

Part 6 – Additional Information

Problems with immigration to the UK

Have you ever been:

- refused a visa for the UK
- deported from the UK
- removed from the UK

- refused a visa for any country other than the UK
- deported from any country other than the UK
- removed from any country other than the UK
- required to leave any country other than the UK
- refused entry at the border of any country other than the UK

Give details of any time you were refused a visa or had to leave a country (other than the UK) for any reason.

☐ Yes  ☐ No

Save and continue

Please read these two questions carefully and answer honestly. If you have ever received a visa refusal for any country you will need to answer YES and give details. Please contact an adviser if you think the refusal or any other immigration problem could affect this visa application.

Public funds

Have you ever received any public funds (money) in the UK?
This includes benefits for people on low incomes, such as housing or child benefits.

☐ Yes  ☐ No

As an international student you are not entitled to claim state benefits so you should usually answer NO to this question. If you think you may have claimed state benefits, please contact an adviser in International Student Support.
Convictions and other penalties

At any time have you ever had any of the following, in the UK or in another country? Only select one answer at a time. If you need to give more than one answer, you can do so on another page.

- A criminal conviction
- A penalty for a driving offence, e.g. disqualification for speeding or no insurance
- An arrest or charge for which you are currently on, or awaiting trial
- A caution, warning, reprimand or other penalty
- A civil court judgment against you, for example for non payment of debt, bankruptcy proceedings or anti-social behaviour
- A civil penalty issued under UK immigration law
- No, I have never had any of these

You must tell us about spent as well as unspent convictions.

You must answer these questions honestly. You should disclose any parking or speeding tickets you have received, although they will not normally affect your application.

After this please also answer the questions relating to war crimes and terrorism.

Part 8 – Course details and Financial Information

Academic Technology Approval Scheme (ATAS)

Do you need to obtain permission from the Academic Technology Approval Scheme (ATAS)?

- Yes
- No

Certain courses require you to apply for and be granted an ATAS certificate before you are issued with a CAS number. Applicants who require ATAS would have been made aware of this requirement at the offer stage.

Where ATAS is required you must indicate YES and then provide the 6 digit reference number. You will need to submit a print out of the certificate with your visa application.

Current or past official financial sponsor

Are you currently receiving money from an official financial sponsor or have you received money from an official financial sponsor in the past 12 months?

- Yes
- No

What is an official financial sponsor?

Examples of an official financial sponsor include the UK Government or your home government, a university, or an international company or organisation. Examples of support may include a scholarship, internship, fellowship or training programme.

Answer YES to this question if you are currently receiving a scholarship or bursary from an official financial sponsor, or have been within the past 12 months. Please note that parents and United States Federal Loans do not count as official financial sponsorship.
If you are receiving a scholarship or bursary for your continued study or your new course of study please select YES and then provide details of how you will show evidence of this funding. Please select YES to this question even if you are only being partially funded for your studies.

If you are receiving a scholarship from University of Sussex then details of this should have been included in your CAS, and you should select this option.

Select YES if you are able to show the required maintenance funds in a bank account in your name. All applicants for University of Sussex are required to show £1015 for each month of your course, up to a maximum of 9 months (£9135).

You should use the course start and end dates on your CAS to calculate the length of your course and therefore how many months' maintenance you will need. If the length of your course includes a part of a month, the number of months' maintenance that you need will be rounded up. For example if your course dates are 30 May until 1 October 2016, this is four months and two days so you would need to show five months' of funds.

Select NO if you are using money held by your parent or legal guardian.
Money (maintenance funds)

Is all the money you will use to support yourself while studying in the UK in an account in your name, or a joint account you share with another person?

- Yes
- No

Are you relying on money held in an account under your parent(s) or legal guardian(s) name?

- Yes
- No

Do you have permission from your parent(s) or legal guardian(s) to use this money?

- Yes
- No

How can you prove they are your parent(s) or legal guardian(s)?

- Birth certificate
- Adoption certificate
- Court document

If you are unable to show the required amount of maintenance in your own name then you are able to use bank statements in the name of your parent or legal guardian. You cannot use money held by any other family member or friend.

Where you will be using your parent’s bank statements you will be required to show the following documents:

1. Original proof of the relationship between yourself and your parents/legal guardian (e.g. original birth certificate, court documents confirming legal guardian). You cannot use copies and must provide the original certificate.
2. An original letter from your parent/legal guardian confirming that you are their child and they are happy for these funds to be used for your study in the UK.
3. Any documents not in English must be translated. The translation should meet the requirements in paragraph 17 of the Tier 4 policy guidance.

IF YOU HAVE HAD YOUR DOCUMENTS CHECKED, OR YOU ARE CONFIDENT EVERYTHING IS CORRECT, THEN YOU CAN CONTINUE.
Part 10 – Documents

You will not see the following question about finances if you are a national of a differentiation country. This means that you will NOT need to provide financial documentation with your application but you may be required to send these at a later date. It is still very important that you meet the financial requirements, as UKVI do carry out random checks.

However, when you apply, you must still include:

- all other required and relevant documents including your ATAS or Police registration certificate (if these apply to you)
- your original qualification certificate/official transcript confirming you completed your previous course in the UK or a ‘highly likely to pass’ letter from your current institution if you’re taking a second Masters.

If you are a national of a country NOT on the differentiation country, then the following screen will appear:

Proving you have enough money to be in the UK

You must provide documents showing that you have the required funds to cover living costs for you and any dependants joining you while you are in the UK.

▶ How much money do I need to show?
▶ How long do I need to show I have held this money

Enter details about the financial documents you will send. You will be able to provide details of several documents if you need to.

▶ What financial documents can I use?

Financial institution

Type of document

- Statements from a personal bank or building society account
- Building society passbook
- Letter from a bank, building society or other recognised financial institution

If you do need to provide financial documentation with your visa application, then you need to enter the name of the financial institution (bank) and type of document that you are using as evidence of your tuition fees and maintenance requirement.
If you are receiving official financial sponsorship then you should write the name of the official financial sponsor.

**Add another financial document**

Do you want to add another financial document?

The documents you send in need to prove that you have the full amount. If the documents you have already added do not show this, you should add more documents now.

- Yes
- No

If you are using funds from more than one bank or financial institution, answer YES to this question to add another financial document. Otherwise answer NO.

**Documents**

**Mandatory documents**

These documents are mandatory and you must provide them as part of your application. Tick the box to agree that you will provide each document:

- The passport issued by India for Mr. John Smith

**Other documents**

If you do not provide these documents, your application may be delayed or refused.

- Statements from a personal bank or building society account (HSBC)
- If you provided any qualification evidence to your sponsor for them to issue your CAS, you must submit this evidence (including translations). For example, you might have sent your sponsor your certificate of qualification or transcript of results.

The application form will now list the documents that you need to provide with the visa application. What you need to provide will depend on whether you are a national of a differentiation country or not:

- Passport
- Possibly your national identity card
- BRP (if you have one)
- Police Registration Certificate (if you have one)
- Financial documents. If using parental funds you will need your original birth certificate and a consent letter from your parents
- Educational documents that the offer was based on – these are the qualifications that have been used to admit you onto your course at Sussex. They will be listed on your CAS.
- your original qualification certificates/official transcript confirming that you completed your previous course (as evidence that you’re making academic progress). This may be the same as the certificates mentioned above.
If any translations of documents are required they should meet the following guidelines:

If you are in the UK, where a document is not in English or Welsh, the original must be accompanied by a fully certified translation by a professional translator/translation company. This translation must include:

- details of the translator/translation company’s credentials;
- confirmation that it is an accurate translation of the original document and the translator/translation company’s contact details.

It must also be dated and include the original signature of the translator or an authorised official of the translation company.

**Under 18s** – if you are under 18 on the date of your application you will need to submit additional documentation that may not be listed here. See paragraphs 235-237 of the Tier 4 policy guidance for details.

Check these and confirm on the next screen.

Please keep a copy of this as you may need it to register for your course at Sussex.
Part 14 – booking your appointment and uploading supporting documents

Under the new system you submit your application online, pay the immigration health surcharge fee, biometric enrolment fee (currently £19.20) and the application fee.

After you have submitted the online application, you will be directed to Sopra Steria’s website to book an appointment at either a UKVCAS Service Centre (the nearest to Brighton is Croydon) or at an Enhanced Service Centre. Attendance at a UKVCAS Service Centre during core hours will be free of charge, attending an enhanced service centre will incur an additional charge. We understand the additional charge to be between £60 to £125 depending on the selection of a prime time/ non-prime time slot or weekend appointment.

You can scan or upload your documents prior to your appointment or with assistance at your appointment. If you choose to scan and upload your documents prior to your appointment we advise you take a hard copy of all your original documents to your appointment in case there have been any issues uploading your documents.

If you choose to scan your documents at your appointment there will be a charge of £45.

You will be able to leave your appointment with all your original documents as you are no longer required to submit original documents with your application. Although your original passport will be returned to you at your appointment, you should not travel outside the UK until you receive a decision on your application, as this will result in your application being withdrawn (please see the information on Travelling outside the UK when your application is being decided). Please contact an International Student Adviser if you have any questions immigration@sussex.ac.uk.

You will be told what you need to bring to your appointment when you submit your application, this will include:

- appointment confirmation
- passport
- supporting evidence (unless you choose to self-upload)
- UKVI document checklist

At your appointment you will:

- Show your appointment confirmation (you will get this as an email containing a QR code) and ID documents to confirm your appointment.
- Enrol your biometric information (fingerprints, photograph) and digital signature.
- Submit your supporting evidence (unless you choose to self-upload this).
- Show your passport or travel document and have your identity checked.
- Speak to a member of staff who will check that your biometric information has been successfully enrolled and your passport and supporting evidence has scanned correctly.

Some Enhanced Service Centres offer additional charged services, such as checking or scanning your documents. Some of these services include document checking (£35), translation services (£75) and a premium lounge (available in London only £200–£260), please do not confuse a Premium Lounge with the Premium Service, this still means your application is standard service which takes up to 8 weeks to get a decision. Don’t select anything you don’t really want or need as
you will be charged. You can save yourself some money by asking the International Student Advisers to help you check your documents free of charge and then upload the documents yourself!
