If the Library already has the book you want to add, it’s always best to use the Sussex Library Catalogue to add them to your reading list. If it isn’t available from the Library, see sheet V.

- Go to [http://capitadiscovery.co.uk/sussex-ac/](http://capitadiscovery.co.uk/sussex-ac/), find your item record and then click your box, e.g.:

  - This sidebar will then appear:

**Book**

- Check that the information about the book is correct

- Then click **Create** to add the item to your “bookmarks”.
- You can now add the items to a specific reading list (see Sheet VIII)
