Applicant Visit Day bursaries

Applicant Visit Day bursaries are being offered to applicants by most schools, to help with the cost of visiting Sussex. Bursaries of between £25 and £75, depending on distance to the University, are being offered to undergraduate applicants with contextual offers, and in some cases to all applicants, within participating schools.

Visiting universities is an important part of the decision making process for all applicants applying to university. These bursaries will help applicants to make that crucial visit despite cost of living pressures.

Marketing, with the support of Admissions, Widening Participation, Digital Development and the Undergraduate Recruitment and Events team have emailed all relevant applicants, pointing them to the web pages for the relevant school. If you have any questions on the bursaries, please email Associate Director of Strategic Marketing, Isabel Wall: I.Wall@sussex.ac.uk
