Are you seeking to further your career in higher education market research?

The University of Sussex is seeking an accomplished and experienced HE market research professional to lead our market research team.

You will determine market research priorities to inform marketing and University-wide strategies, as well as developing and improving our market research processes. This varied and interesting role provides the opportunity to work collaboratively with Marketing experts, as well as supporting academics and Professional Services colleagues across the University.

You’ll lead on high-profile strategic research such as creative user testing on brand projects, the Acceptor/Decliner survey, market and competitor reviews, event evaluation and research to support the development of new courses, making recommendations to senior management and providing expert advice to formal committees.

You will lead a small market research team, and reporting to the Associate Director of Strategic Marketing, will be a pivotal part of the wider University Marketing team, at an exciting time for marketing in the Higher Education sector.

Excellent analytical skills, initiative and the ability to communicate effectively, both orally and in writing, are essential, as is the ability to interpret data and excellent IT skills. A relevant degree or equivalent work experience is essential and a recognised qualification in marketing or market research would be desirable.
The post holder will be responsible to the Associate Director of Strategic Marketing for the delivery of agreed market research projects.

Key working relationships include:

Associate Director of Strategic Marketing, Market Research Manager and Market Research Officer, Marketing Managers, Head of UK Recruitment, Head of International Recruitment, Heads and Deans of Schools and other school staff, Head of Admissions and Head of Planning.

The Marketing Team is comprised of staff with expertise in CRM, Market Research, Digital and Brand Marketing and Marketing planning and delivery.

We’re a friendly and professional team who aim to provide a high quality service to the Academic Schools of the University and other Professional Services. You will be joining us at an exciting time for marketing in higher education and especially for Sussex.

For full details and how to apply see our vacancies page

*The University of Sussex values the diversity of its staff and students and we welcome applicants from all backgrounds.*

2. **The School / Division**

The Professional Services comprise approximately 650 staff across eleven main divisions. The budget is approximately £12m a year. In addition, trading activities for residences and other campus services have a turnover of £17m a year.

**Division of Communications, Marketing and Advancement**

The Division of Communications, Marketing and Advancement is responsible for enhancing the reputation of the University, ensuring the institution’s vision and features are promoted and understood by a range of stakeholders including prospective and current students, alumni, supporters, media, staff, government, business and the public.

The division promotes the achievements of students, academics and researchers, as well as professional staff, and communicates the University’s education and research offering as well as major developments related to the institution.

It works with colleagues across the University to help maintain Sussex’s reputation as a world-class, innovative institution striving for a better world. It also responsible for meeting Undergraduate and Postgraduate yearly recruitment targets for a both a domestic and International audience.

**The Marketing Team**

The Marketing Team has a primarily student recruitment remit and is currently growing in size. The Marketing Team works closely across the division and with the Planning Department.
3. **Job Description**

**Job Description for the post of: Senior Market Research Manager**

**Department:** Marketing  
**Section/Unit/School:** Division of Communication, Marketing and Advancement  
**Location:** University of Sussex Campus 50%, Home 50%  
**Grade:** 8  
**Responsible to:** Associate Director of Strategic Marketing  

**Key Responsibilities:**  
To oversee and develop processes and systems for delivering market research to inform new course development and market positioning. To inform wider marketing and student recruitment strategies. To oversee the provision of timely, relevant and accurate market research for the University, and provide recommendations based on market intelligence. The post holder will line-manage other market research staff.

**Main duties**

The post-holder will:

- Line-manage the Market Research Manager and Market Research Officer.
- Develop detailed annual budget forecasts for the purposes of buying data, providing evaluation and ROI reports for the Associate Director of Strategic Marketing.
- Oversee the tender process where outside agencies are commissioned for the purposes of conducting market research for the University, and oversee delivery.
- Be responsible for ensuring that technical requirements relating to market research and analysis are met: work with ITS/BIS colleagues to ensure IT systems and software are fit for purpose.
- Work closely with colleagues from Governance and Secretariat, Admissions, Student Systems, Communications, Marketing and Advancement, and ITS to inform work to develop improved access to market data across the institution and ensure systems are fit for purpose.
- Recruit and supervise the work of student helpers/temporary staff as necessary

**2. Plan and develop market research projects relevant to meeting our recruitment targets**

The post-holder will:

- Develop an annual plan for delivery of reports at key points in the calendar.
- Develop systems and processes for providing up to date market research.
• Identify relevant sources of market intelligence for the University and proactively develop processes for information sharing.

• Make relevant market intelligence available to appropriate colleagues within the division.

• Create a bank of relevant market research documents and tools and ensure these are accessible to appropriate groups within the University.

• Oversee ongoing market trend analysis and work with Marketing colleagues to refine and improve reporting.

• Develop recommendations and manage a process for consistent competitor benchmarking.

3. **Inform the process of new course development**

   The post-holder will:
   • Proactively work with colleagues in other divisions to help refine the new course development process so that market intelligence underpins portfolio development
   • Produce and oversee reports relating to the marketing potential of new course proposals.
   • Present findings and give opinion on course development at Portfolio Approval Committee
   • Work across departments to support the University-wide Annual Portfolio Review.

4. **Be an expert in the field and maintain up to date sector knowledge**

   The post-holder will:
   • Keep abreast of relevant changes in the HE sector which may impact on marketing
   • Develop and maintain professional networks within the sector
   • Attend appropriate events in order to keep abreast of sector developments and expand networks.
   • Develop opportunities for benchmarking, analysis of recruitment patterns, and education trends.
   • Represent the University at external events and present papers as appropriate.
   • Maintain good relationships with external organisations and collaborate on projects as required.

5. **Work effectively with the marketing and planning teams**
• Make recommendations and where necessary develop a business case for the most appropriate forms of market research to meet institutional objectives, and oversee delivery. This may include creative concept research or student persona research.

• Work with marketers to develop an improved understanding of the factors influencing students' decision-making, and help promote an understanding of these factors among colleagues across the University.

• Facilitate and enable access to information across the team and the wider institution, as appropriate

• Understand how data and market intelligence inform marketing strategy and operational activity.

• Work closely with marketing colleagues to support and inform marketing planning and subsequent evaluation activity.

• Facilitate and enable access to information across the team and the wider institution, as appropriate

• Encourage and support best practice via support to staff, training, presentations, workshops and personal advice

• Work closely with relevant colleagues and academic colleagues to provide specialist advice regarding market research requirements of individual Schools and to implement their requirements.

• Ensure that the database of research results and any contributions are used in compliance with data protection legislation and good practice.
