

# PS Priorities 2021-22

- To deliver a stable, robust and engaging educational offer for the 2021/22 academic year.
- To achieve targeted UG/PGT recruitment (2022/23 and pipeline).
- To support the University in the delivery of the Size and Shape programme.
- To prioritise and successfully deliver against the five portfolios (Education and Students, Research, IT, Estates, and Size and Shape)
- To champion environmental behaviour change initiatives and sustainability related staff benefits.
- To support the University in achieving its league table position aims.
- To deliver and embed the new target operating model in relation to One Professional Service by Summer 2022.
- To engage with PS staff to deliver new ways of working post COVID including implementation of the remote working framework.
- To raise engagement of Professional Services staff, hearing their voice and prioritising key actions through the staff survey.
