Senate notes the recognition of partner institutions of the University.

UEC makes recommendations to the University’s Senate on the recognition of affiliated institutions and approves the appointment of external examiners for all University awards as well as determining policy and procedures relating to such appointments.

UEC receives all business (excluding curriculum changes) in relation to the partners of the University with whom there is validated and franchised provision.

School Teaching & Learning Committee reports to the University Education Committee.

STLC considers all major changes to the curriculum of Sussex validated courses.

Steering Group, chaired by the Head of School (within cognate School), is held annually or biannually between the University and its partner institutions to discuss strategic matters. The main objective is to maintain and develop the relationship between the two institutions and to be a forum for the exchange of information and sharing of good practice.

Operational meetings are meetings attended by officers from the University and the partner institution where day-to-day business can be dealt with. Some partnership arrangements may differ.
