FAQs

(Frequently Asked Questions)

Q

IS EVERYONE WHO APPLIES FOR ACCOMMODATION GUARANTEED A PLACE?

A guaranteed offer of University managed accommodation depends on a number of factors including your student status, when you apply and your year of study.

Use our handy guide on pages 6 and 7.

Q

WILL I DEFINITELY BE PLACED IN MY FIRST CHOICE OF ACCOMMODATION?

We can't guarantee your first choice accommodation, but we will always try our best to meet your preferences.

Q

IS APPLYING FOR HOUSING COMPLICATED?

It's easy! We encourage you to see as much accommodation as possible either on one of our open days or on our webpages, then complete the application online, giving us your preferences in order.

Don't miss the application deadline! See timeline on page 9.

Q

CAN I BRING MY CAR TO UNI?

Residents are not able to bring cars.* Brighton is very accessible, with buses running across the city 24 hours a day, a train service from Falmer station at the front of campus and loads of bicycle lanes to help you get around safely.

Page 12 outlines transport options at Sussex.

* some students can apply for a parking permit. Please visit <https://www.sussex.ac.uk/estates/services/transport/campus-parking/exceptional-circumstances> for more information.

CAN I COME AND SEE THE ACCOMMODATION ON CAMPUS?

Yes! Come along to one of our Open Days and we will show you around.

Find out more at: www.sussex.ac.uk/study/visit-us/

BUSES

Brighton & Hove has a 24-hour bus service. The journey from the city centre to campus is around 30 minutes.

You should apply for housing as soon as possible.

You can give us your accommodation preferences (in order) when you do your application online.

Q

WHAT DO I NEED TO BRING WITH ME?

There is no need to bring any furniture as it will all be provided in your room.

See page 11 for information about what is included in your room and what you might like to bring with you.

You don't need to bring your bed – but you will need to bring bedding and towels.

WI-FI

Wifi access is available in all our University managed residences.

Q

I AM A BIT NERVOUS ABOUT MOVING AWAY FROM HOME, IS THERE SUPPORT TO HELP ME SETTLE IN?

Yes, lots of support. Each of the residences have Residential Life Connectors who are on hand to help you settle in and offer advice about all the services available to you. They will set up kitchen meetings with all your flatmates in the first few weeks, to check that you're settling in well.

See page 20 for more information about how we will support you.

Don't worry if you forget to pack something!

Brighton has many great shops – with prices to suit every budget – you can pick up additional items once you arrive.

The Residential Life team provide pastoral care support to students in accommodation

HOW CAN WE HELP YOU?

For an overview of all our University-managed accommodation – see pages 13–19 of this brochure

Or look online at www.sussex.ac.uk/study/accommodation

The housing guarantee for undergraduate students

A photograph of two young women sitting together, looking at a laptop. The woman on the left has long blonde hair and is wearing a tan sweater. The woman on the right has dark hair and is wearing a green top and a black cardigan. They are both smiling. The background is a dense collage of various images, including people, dogs, food, and pop culture references. A red banner with white text is overlaid on the image.

How to apply

HOW TO APPLY

UNDERGRADUATES

Application information is sent out (via email) by the University to all students holding academic offers.

All eligible students will be given details of how to apply for accommodation online.*

*Subject to the conditions of our Housing Guarantee.

Online induction opens 1 September via Sussex Direct and accommodation fee payment options open.

31 JULY

Deadline for undergraduate housing applications.

TERM BEGINS

Arrivals weekend and Welcome Week with induction events to help new students settle in.

FEBRUARY/MARCH

JULY

SEPTEMBER

FEBRUARY

Housing applications open online for those eligible.

If you apply for your course online, you will be able to access your Housing Application online shortly afterwards via the same PG Apply Portal.

After creating your housing application, postgraduates must pay the £5,000 tuition fee deposit (unless exempt), and accommodation cannot be allocated until this has been paid.

31 JULY

Deadline for postgraduate housing applications.

TERM BEGINS

Arrivals weekend and Welcome Week with induction events to help new students settle in.

Online Registration opens 1 September, when you can arrange to set up payment for your accommodation fee.

If you are under 18 after the September move in date, you will need to provide details of a UK based guardian.

POSTGRADUATES

HOW TO APPLY

IF SUSSEX IS YOUR INSURANCE CHOICE UNIVERSITY

Insurance students are encouraged to complete a housing application before 31st July. However if you miss this deadline, you can still apply on the housing portal. Although not guaranteed, we are confident we will be able to offer you accommodation.

IF YOU COME TO SUSSEX THROUGH CLEARING

Clearing students will be contacted by the Admissions Team after A-level results day with information on how to apply for University-managed accommodation.

IF YOU ARE UNDER 18 YEARS OLD

Students under the age of 18 will be allocated into residences where there is either a 24-hour reception, or a 24-hour security available in close proximity.

CARE LEAVERS

All undergraduate students coming directly to Sussex from local authority care, who apply for housing before the of 31 July and who receive an unconditional offer are entitled to University managed accommodation. Students will be required to move rooms during the summer vacation and apply for accommodation annually.

ACCESSIBLE HOUSING

If you have a disability or medical condition, you can request an adapted room or adjustments as part of your accommodation application.

The Accommodation Office works closely with Disability support to provide accessible accommodation.

<https://student.sussex.ac.uk/disability/>

Some examples of adjustments and additional equipment that we can provide include:

- rooms with more space for wheelchairs and medical equipment
- small fridges for rooms
- en-suite wet rooms
- en-suite contribution (if eligible)
- additional room for care workers
- pull cord alarms
- lower cooker hobs and sinks in kitchens
- deaf alerters

- Vibrating pillows
- automatic bathroom doors
- beds with adjustable height.

Get in touch with us to ask about other adaptations by emailing housingandhealth@sussex.ac.uk

FAMILY FLATS

Due to ongoing development works on campus, the number of family units has reduced. Although we currently do not have any availability for families, this situation may change and if you wish to express an interest in family accommodation please email housing@sussex.ac.uk.

Please do not bring your family to Sussex with you until you have secured suitable accommodation.

Find out about accommodation options for families in the private sector.

IF SUSSEX IS
YOUR INSURANCE
CHOICE, YOU MUST
STILL COMPLETE
AN APPLICATION
BEFORE 31 JULY.

CODE OF PRACTICE

The University is signed up to the UUK Code of Practice which aims to help those managing student accommodation to identify the key elements of good management practice and encourage the raising of standards in student accommodation.

FACILITIES

WHAT IS PROVIDED IN ACCOMMODATION?

We have a range of accommodation on our campus. All of our residences (apart from studio flats) share kitchen and communal areas. Many of our rooms have an ensuite bathroom with a shower and toilet, with others having shared bathroom facilities. Gas, electricity, water and personal contents insurance are included in your accommodation fee.

Each of our residences is managed by a building manager who, along with a team of porters and other housekeeping staff, are responsible for looking after the area.

Kitchens in all of our residences are supplied with cookers, fridge-freezers, toaster, kettles, and most have microwaves. You will need to bring your own cutlery, crockery and cooking utensils. Bedrooms are furnished with a bed, desk and chair, book shelves and wardrobe. Many rooms with shared bathroom facilities have their own wash basin. Students usually prefer to bring their own bed linen, however a set of new bedding (including duvet, duvet cover, bottom sheet, pillow case and pillow) can be purchased from the University of Sussex online shop beforehand, and collected upon arrival.

Communal areas are cleaned on a regular basis. Residents are responsible for keeping their own rooms clean and, if in an en-suite room, they must also keep the bathroom clean.

There are laundry facilities on campus in Swanborough, East Slope and Brighthelm. All residences are heated during the colder months (usually October to May).

WI-FI

All University managed residences have Wi-Fi access.

NON-SMOKING

All of our residences are non-smoking, including e-cigarettes and this is strictly enforced.

ACCOMMODATION FEE

Accommodation fees vary according to accommodation and length of tenancy. It can be paid either in full in three instalments for undergraduates or in four instalments for postgraduates. Undergraduate tenancies run for a total of 39 weeks, with postgraduate tenancies running for 50 or 51 weeks.

Information about your accommodation fee and how to set up payment will be sent via email with your housing allocation.

SECURITY

The University has its own Security Office based on campus. Security officers patrol the campus day and night, they are all qualified first aiders and can respond quickly to emergencies. A part of the service is to provide an escort across campus after dark if requested.

There is a 24-hour service centre based on campus, which can provide help and advice for students living on campus. If parents need to contact a student urgently and cannot get in touch directly, our 24-hour reception will get a message through to the student.

ROOM SWAPS

The Housing Services team tries to allocate students into the type of accommodation they request but we cannot guarantee that we will be able to do so for everyone. Some accommodation types are very popular (particularly en-suite rooms) and this means that there will always be a number of students who are in accommodation that they have not requested.

We are unable to make any swaps before arrivals weekend. One week after arrivals weekend in September, we open a swap list online enabling students to get in touch with other students who may want to swap rooms. There is an administrative fee for arranging this.

Travelling to campus and around the local area

BY CAR

Students in our residences are not able to park a car on campus. For this reason, we encourage you to leave your car and use one of the many other options available below.

Students with a disability or with dependants may be able to apply for a permit to park on campus, details of which can be found on the University transport webpages (see link below).

BY BICYCLE

There are around 600 free bicycle racks on campus, and use of free shower facilities across campus for those that cycle to the University. Brighton & Hove has a large number of cycle routes across the city, with cycle lanes between campus, the city centre and Lewes.

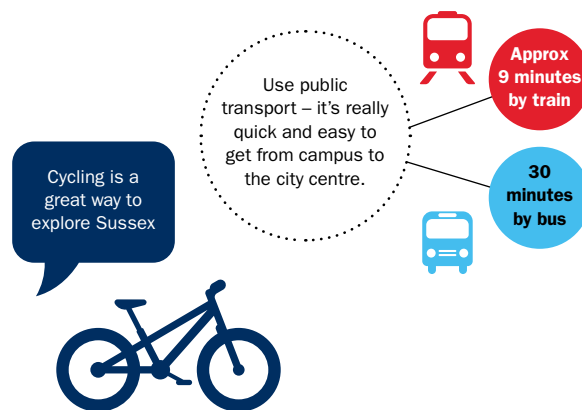

Brighton & Hove also has a bike share scheme, with bike racks placed across the city (including on campus) where you can rent a bike per hour for a small charge.

BY BUS

A 24-hour bus service operates from the city centre to campus and back throughout the year with special discounts for students on a variety of ticket options. Additional services from campus serve other areas of the city throughout the day, or a service can be taken to the city centre throughout the night where there are night bus routes across Brighton & Hove.

BY TRAIN

Falmer Station, located at the front of campus, has regular trains throughout the day and into the evening travelling to Brighton (where connections can be made to London and the rest of the South Coast), Lewes, Newhaven and Eastbourne. Students with a valid 18–25 railcard and their Sussex Student card can purchase a Unizone season ticket for discounted travel on routes in the area.

When living with us, you may wish to make use of some of the additional services available to all students at Sussex.

HEALTH CENTRE

The University Health Centre on campus is an NHS independent General Practice. If you live off campus, you may still be able to register with the University Health and Wellbeing Centre if you are within their catchment area, or you can register with another surgery that is nearer to your home. See the website (at the bottom of the page) for more information.

There is a pharmacy located near the Student Centre on campus.

THE MEETING HOUSE

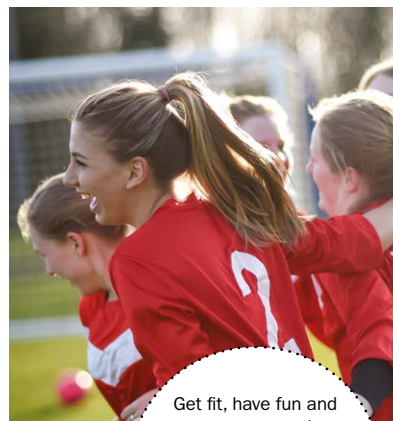

The University has one of the most beautiful chaplaincy centres in the country, known as the Meeting House. The distinctive circular building, with its coloured glass walls, has a chapel on the upper level that is used for worship and music recitals throughout the week, with services drawing on different traditions of Christian spirituality.

The Lead Chaplain supports a multi-faith team of part time chaplains representing Jewish, Christian, Buddhist, Quaker, Pagan, United Reformed and Orthodox traditions.

SPORT AND WELLBEING

In addition to a wide range of student sports clubs, Sussexsport and the Students' Union offer a variety of fitness, sport and wellbeing opportunities including weekly classes such as yoga, trapeze, spin and Zumba.

Our fantastic facilities include 3G, ATP and grass pitches, tennis courts, dance studio/dojo, an outdoor fitness area and state-of-the-art fitness rooms.

Your guide to eating well at Uni

THE SUSSEX FOOD WALLET

Are you nervous about juggling your studies, social life and feed yourself? Do you have concerns about managing a food budget for the first time?

University life is busy, so we have a 'Sussex Food Wallet' that keeps all of your food budget in one place. You can use this to purchase food on campus across six cafes and one main restaurant, giving you a wide variety of healthy and nutritious food options.

The Sussex Food Wallet is a simple top-up pre-pay system for food on campus. It helps you plan and budget your meals, whilst giving you the flexibility to use your credit whenever you like (within café and restaurant opening hours). Even better: if you buy a package, you could get up to £256 of free food.

To give it a go, we recommend starting with the Essential Package. It's designed around the average daily spend on campus, roughly £8 per day for a meal and a hot drink. If you're on campus Monday to Friday, this means you can easily enjoy a coffee and a hot, healthy, globally-inspired meal each day.

See the packages here:

PACKAGE	PRICE YOU PAY	YOUR BONUS	BONUS	VALUE OF PACKAGE
Taster Package	£50	£5	10%	£55
Essential Package (recommended for 4 weeks)	£145	£15	10%	£160
Semester Boost (recommended for 1 semester)	£417	£63	15%	£480
Duo Semester Pass (recommended for semester time only)	£800	£160	20%	£960
Gourmet Year Pass (recommended for the entire year)	£1,024	£256	25%	£1,280

FURTHER INFORMATION

VALUE OF PACKAGE

You can use your credit at:

Eat Central, Arts Piazza Café, The Veg Bowl, Botanical Café, Doctors Orders, Library Café, and The Attenborough Centre for Creative Arts.

There are plenty of vegetarian, vegan, and gluten-free options available.

Credit cannot be used to buy alcohol.

If you've ever used a similar system at secondary school or sixth form, this works much the same, and you can top it up yourself, or parents/carers/guardians can help too.

MORE ABOUT FOOD ON CAMPUS

Eat Central: Eat Central is the main café restaurant located on the ground floor of Bramber House. Tortilla is located here, as well as a food hall with a variety of options featuring; The Sussex Saver: our low-cost budget friendly offer / Field Tray: Farmer Bowls / Lean Kitchen: Burgers and chips / Bamboo an Asian-Fusion inspired menu.

Botanical Café: Located on the ground floor of the Jubilee building, Botanical Cafe is our on-site Starbucks. Where you can find all of the popular drinks from the much loved, high-street brand, including both their iced and hot range.

Arts Piazza Café: Located on the main pathway through campus, this is our most popular café. Social Impact Coffee is sold here, which through their specialty coffee donates 65% of surplus to local charities chosen by the students and staff on campus.

The Veg Bowl: Located on the ground floor of Arts C, The Veg Bowl @ Dhaba is the University's dedicated vegan and vegetarian outlet, serving veggie poke bowls, noodle soups. The café runs pop-ups on a Wednesday featuring laksa, dal bowls, and vegetarian tiffin-box curries.

Library Café: Located inside the Library, on the left as you enter the main doors, the Library Café serves Costa coffee and is a great study space, serving delicious pastries and freshly made-in-house sandwiches.

ACCA café: Located on the ground floor of the Attenborough Centre, between Falmer House and the Library, ACCA is our most beautiful cafe, serving authentic Argentinian Empanadas from a small Brighton based business, and also serving classic toasties.

Doctor's Orders: Located on the ground floor of Brighton and Sussex Medical School, Doctor's Orders is an open, clean spaced cafe, great for grabbing a coffee, relaxing or studying.

Sussex Innovation Café: Located at Sussex Innovation, on the ground floor, next to Ashdown House. Although a little bit of a walk up to the other side of campus, the cafe serves delicious high-end salads, socially responsible coffee and premium bakery items.

Campus developments

WEST SLOPE

The University of Sussex is investing in improving its campus – from major developments to smaller refurbishments – to make it more accessible, more sustainable and better connected.

Our West Slope plans are transformative. By removing outdated buildings, we have created space for new, modern student residences, a Health and Wellbeing Centre, and a new supermarket and café. West Slope has been thoughtfully developed with accessibility and sustainability as a priority; outdoor lifts and gentle walkways will make campus easier to navigate while the development aims to achieve biodiversity net gain. This supports the University's wider commitment to set aside 42% of campus land for nature by 2027.

Construction will be taking place within the perimeter of the West Slope site during the academic year 2026/27 and beyond. The first West Slope buildings will be completed by September 2026. Construction will continue until 2028, with additional buildings opening in September 2027 and September 2028.

For more information on the location of our West Slope development, please refer to the Campus Map.

STUDENT SUPPORT

We want to make sure that you have all the support and help you need while you are studying at university.

This is an overview of some of the other support services that you can access at Sussex – there is lots more information available on our website (see links below).

Student Centre

The Student Centre is at the heart of the student experience at Sussex.

Whether it's a simple query or support with a more complex issue, there's a wide range of information, advice and guidance available at the Student Centre.

The Student Centre brings together our student support services, who provide confidential, pre-booked appointments in-person or via Zoom on a range of issues. They will also be running drop-in sessions, events and other activities throughout the year.

The Welcome Team are there to help you find any information you need, including:

- settling in as a new student
- jobs and careers
- money and funding
- health and wellbeing
- visas and immigration
- requesting letters to support your study
- exceptional circumstances affecting your assessments
- changing your degree
- withdrawing from your course
- attendance issues
- living with other people
- disability support

Advice and Welfare

Information, advice and guidance to help you gain the best university experience you can. Some of the many things that support is available for include:

- Managing the transition to university.
- Coping with the demands of university life.
- Personal and welfare concerns affecting your study progress or wellbeing.
- Funding and finance including hardship funds and emergency loans, scholarships and bursaries.
- Sources of help to improve academic performance.
- Progression, intermission and withdrawal processes.
- Drop-ins for sexual health information and free condoms, drug and alcohol counselling.
- Advice for international students including around immigration and visas.

Disability and health

Providing advice and assistance to prospective and current students with disabilities, long term health conditions, long-term mental health conditions, dyslexia and autistic spectrum conditions, including:

- Advice on funding additional support
- Examination arrangements
- Arranging note-takers, readers, specialist tutors and mentors, where funding is available.
- Assessment for specific learning difficulties

Students with additional support requirements are encouraged to note these on their application forms so that the University can be in contact either during the application process or before arrival at the University. This is to ensure that any additional support requirements, including housing, are properly considered and that prospective students receive details of the range of facilities at Sussex.

Counselling

There is a free and confidential counselling service provides support to over 1,500 students every year. Students are offered individual or group sessions and the service also runs various workshops on topics such as stress management, procrastination and insomnia.
