STAFF TRAVEL LOAN FOR A BICYCLE

University of Sussex Staff are entitled to apply for interest free season ticket loans. Bicycle loans are available for the sole purpose of purchasing a cycle for home to work travel. The University’s decision to make a loan is subject to the following conditions:-

1. Your employment with the University is not due to end (through retirement or expiry of a fixed term contract) within the next 12 months.

2. You agree to repay the loan from deductions from your salary each month, in equal instalments, starting in the month in which you receive the loan.

3. You agree in the event of your employment with the University ending for any reason before the loan is repaid in full then the University can recover the balance from your final monthly salary. If your final salary is insufficient to clear the outstanding sum you agree to immediately repay the University the balance in full.

4. You agree to provide receipts for the cycle purchase when required. If receipts are not provided within one calendar month of receiving the season ticket loan then you agree the loan will be recovered in full from your salary in the next available payroll.

5. Cycles must not be sold during the loan period without the University’s prior knowledge and agreement. You agree any funds obtained from the sale of the cycle must be repaid to the University immediately.

HOW THE LOAN WILL BE PAID

The cost of the cycle loan will be paid in one of two ways:

1. Through the payroll directly into the employee’s bank account along with their salary in the next available payroll run after the application is received.
2. Directly to the employee via bank transfer (normally within fifteen working days, if a pay cycle falls within the next fifteen working days then payment method 1 will be used).

To apply for a loan please provide the information requested in the form below and return it to the Payroll inbox for your area:
