C8002 Clinical Psychology in Practice
Convenor: Fran Meeten

**Test 1 TST 40% - (60min)**
Students are asked to complete an online essay question test covering the material in the **Week 6 test**, facilitated via the Canvas module site. 30 minutes extra is given to take into account any technical or IT issues that may arise.

**Test 2 TST 60% - (60min)**
Students are asked to complete an online essay question test covering the material in the **Week 11 test**, facilitated via the Canvas module site. 30 minutes extra is given to take into account any technical or IT issues that may arise.
