(C8895) Distraction, daydreaming and diversity

Convenor: Sophie Forster

Research proposal 95% – 2500 words

Students should write an original research proposal, following the same instructions for a poster as the original assessment (see canvas site). Students may use a similar research question as in any previous submission.

Portfolio 5%:

Students should create a powerpoint poster outlining their research proposal idea, following the same instructions for a poster as the original assessment (see canvas site).
