# Crowds, riots and contagious behaviour

*Talk • Workshop / Activity*

*Wed 6 Sep • 17:00 – 18:00*

*One Church Brighton*

*City Centre*

Organised by:

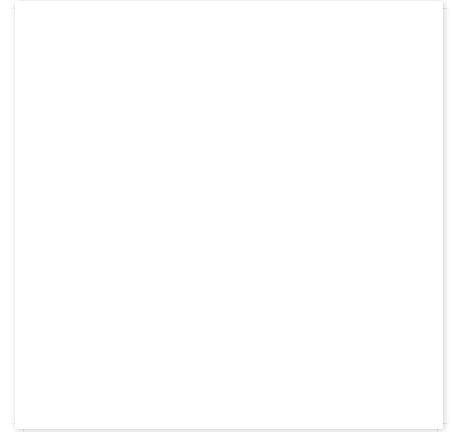

*University of Sussex*

*Suitable for: 16+*

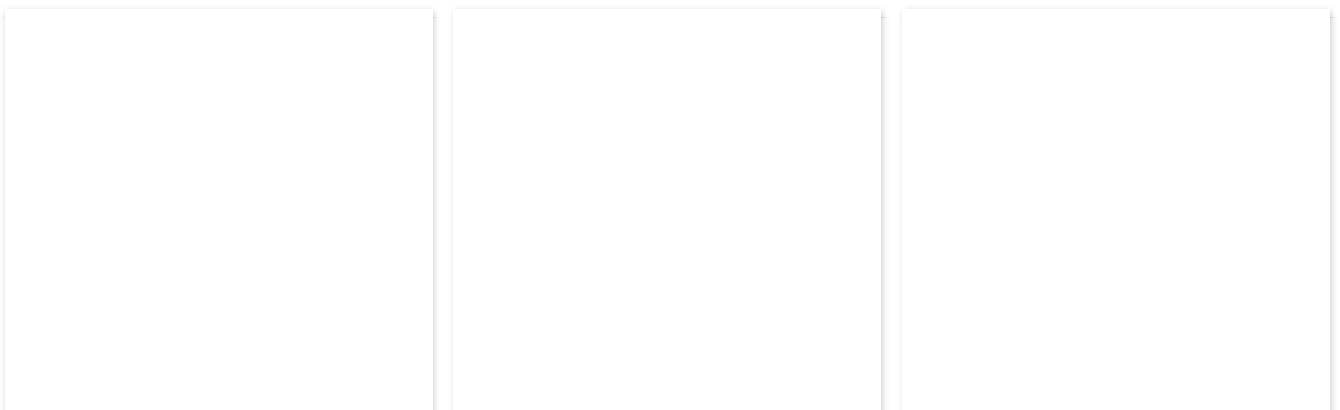

Does panic really ripple through a crowd? Why is laughter infectious? And how can we explain the spread of violence and aggression at riots? Explore the concept of contagion with social psychologist **John Drury** and get involved in interactive experiments that reveal how emotions, ideas and behaviour through crowds.
