2. Address and Telephone Number

Once you have accessed the portal you can update your address by clicking on the icon in the top right of the “Supplier network” window and following the drop down to “YOUR BUSINESS”.

Navigate to “ADDRESSES”
Here you can see the address for your organisation.
Click on the blue pencil to edit.

3. Adding New/Amending Users

Once you have accessed the portal you can update your USERs by clicking on the icon in the top right of the “Supplier network” window and following the drop down to “YOUR BUSINESS”.

Navigate to “USERS”

You can Edit (pencil icon) or Delete (cross icon) users and it is your responsibility to give access to records as per your own organisations policies – please bear in mind bank details are visible and editable if during the process you give the “Administrator” access.

To ADD a new user use the “add user” button
Complete the details required (make administrator if you deem it appropriate) in the USER DETAILS window. Then choose the category appropriate for the User in the “contact Type” window.

NB: please be aware that the USER details are just for use in terms of portal and profile management. The email details the university holds for PO’s and queries is that set in the “ADDITIONAL INFORMATION” tab (Point 1 of this document). The address details are set by Point 2 of this document).
