Notes

- Schools have discretion as to whether or not to schedule a **reading week** which may be in week 6 of Semester 1 only. This ensures that students on joint degrees and electives taken outside their School only have one reading week. Schools must inform students of modules that do, and do not, have a reading week and provide a clear rationale for the purpose of the reading week, ensuring that an element of directed learning is provided.
- Submission deadlines:**
 - must be staggered throughout the teaching and assessment period (including A3), to ensure deadlines are staggered.

- Finalist deadlines in A2 should be staggered towards the start of the assessment period to allow time for marking and moderation and for marking of late submissions.
- Staggering of deadline times (not days) may be undertaken centrally where there are multiple submission deadlines at the same time on the same day, to reduce impact on the service.
- **Exams** will be scheduled during the assessment periods and may be scheduled on the same day as a submission deadline. The University will endeavour to not schedule more than one exam on a single day for an individual student, where this is possible.
- **Resits** for all modules will take place in A3. Exams will be scheduled over the two weeks to provide an improved exam schedule (not necessarily Semester 1 exams in week 1 and Semester 2 exams in week 2).
- **Take Away Papers (TAPs)**
(24h TAPs can be centrally timetabled if they are set in the assessment periods (A1/A2/A3) however a student may have a TAP deadline and an exam on the same day). Alternatively, Schools can schedule 24h TAPs using the dates below. 48h TAPs cannot be centrally timetabled, so submission deadlines for the cohort must be set by the School within the following parameters to avoid a clash with an exam:
 - the 'work time' and submission deadline should not normally fall on a weekend or bank holiday
 - the week after Semester 1 week 11 (TAPs to be released on Monday 12/12/22 and submitted on: Tuesday 13/12/22 (24h) or Wed 14/12/22 (48hr)
 - A1: The week before the start of A1 2023 (TAPs to be released Wednesday 28/12/22 and submitted on: Thursday 29/12/22 (24h); or Friday 30/12/22 (48hr) (inform students early to ensure they are available)
 - A2: Revision week in Semester 2 (w/c 1/5/23)
 - A3: non-centrally scheduled TAPs to be released during w/c 21st August 2023
 - Care should be taken in scheduling a TAP on an elective, since a student may have more than one TAP.
 - TAPs should have a release and submission time of 10am to allow for students with Reasonable Adjustments to submit on the same day.
- A new AY model for 2023-24 of +1 week was agreed at UEC to provide a better schedule for A1 2024, with Welcome Week starting on 25/9/23.
