

# PHYSICAL GEOGRAPHY

## CLIMATE, SCIENCE & SOCIETY

Analysis of Indian Summer Monsoon (ISM) Climate Variability and association with agricultural productivity within India	106314
Aviation: analysis of cognitive dissonance and psychological barriers in the context of climate	150228
Barriers to transition to a plant based diet for climate change mitigation	106376
Dust emissions from the Barkly Tableland region, Australia	132556
Future food security in the Horn of Africa: climate change impacts on crop production and price	75756
Geoengineering: the moral hazard	36914
Impact of climate variability on rice, maize, coconut and sugar production in the Philippines	147182
Religion's engagement with climate change	118996
Stakeholder preferences and GIS for community renewable planning	118983
Student activism and the climate movement: the fossil fuel divestment campaign	108289

## PHYSICAL GEOGRAPHY AND ENVIRONMENTAL SCIENCE

Coliform concentrations in...Shoreham Harbour and the Adur estuary	132709
Does the welded bar at the Church Norton spit act as a sediment transport route from the sub-tidal to the beach?	118995
Effects of sea-level rise, local environmental change and anthropogenic alterations on the valley fill stratigraphy of the lower Cuckmere valley	118994
Examining the impacts of conservation management techniques on lowland heathland at Black Down, Surrey	132666
Geometry of sorted stone stripes in the Lake District	106447
Holocene palaeoenvironmental reconstruction of the Pevensey Levels: a multiproxy analysis of the changing environmental conditions	147078
Impacts of fire on heathland, Ashdown Forest	106417
Multi-proxy record of Holocene fire history and climate - Cathedral Rocks NP NSW, Australia	52115
Quantifying the current and future storage of carbon in trees within Brighton and Hove's main parks	118981
Re-introducing the Eurasian beaver into England	108244
Sediment movement on the shore platform at Peacehaven, wrt runnels	76452
To what extent can animal welfare be inferred from animal behaviours? Effects of environmental enrichment on Sea Life Brighton's giant pacific octopus	118991
Ultra-high res analysis of Pegwell Bay loess	106336
