### School Direct Salaried and Training (Tuition Fee) Places

All include a Sussex PGCE Qualification at no further cost

All our School Direct trainees receive exactly the same support and training from the University as our Core PGCE trainees in addition to a PGCE Qualification. Please check with the Lead School if you are considering part time, as this may not be possible with all School Direct places.

Find your subject below and view which schools wish to recruit School Direct trainee places linked with Sussex University for 2020/21. The Lead Schools manage School Direct recruitment and administration for a group of other schools where candidates are placed for their training. The majority of our Lead School Partnerships include both primary and secondary schools (and some 6<sup>th</sup> Form Colleges) with training in either phase available regardless of whether the Lead School is secondary or primary. You can also find this place list on our website at [www.sussex.ac.uk/education/ite](http://www.sussex.ac.uk/education/ite)
