Researcher Development Programme
2016-17

115 events
100 workshops
1437 attendances
13 webinars
2 online courses

"I've been starting to get a bit stressed out but each of the workshops I have been to makes me feel more and more excited about doing my research. Thank you for all the guidance and help, I am very grateful for all the things you organise"
Undertaking a literature review

"The workshop offered really concrete, really applicable ideas, hints and tips. It was a really well spent few hours!"
Editing your thesis

"The best part of Thesis Boot Camp was the complete lack of distractions and the people working around you who had the same goals - it was very motivating"
Thesis Boot Camp

97% rated the workshop they attended as either good, very good or excellent
97% would recommend the workshop they attended to other researchers
