

# SOUTH DOWNS RESEARCH CONFERENCE 2016

WEDNESDAY 6 JULY 2016  
SOUTH DOWNS CENTRE, MIDHURST

Stretching from the rolling hills of Hampshire to the iconic white cliffs of Sussex, the South Downs National Park is a living, working place. Generations of businesses, farmers, residents and visitors have all played their part to create, conserve and contribute to this thriving landscape of natural and historical assets.

Designed to bring together researchers, students, practitioners and academics this conference showcases research across all disciplines in pursuit of the special qualities of the South Downs National Park. Free to attend.

## **Abstracts are invited for posters and platform presentations**

Abstract submission deadline: Wednesday 4 May 2016, visit  
[www.southdowns.gov.uk/researchconference](http://www.southdowns.gov.uk/researchconference) for submission details

Please contact [researchconference@southdowns.gov.uk](mailto:researchconference@southdowns.gov.uk) with any queries
