Issues should not be escalated unless the designated time period passes, as per the Priority List.

If submitting a complaint, the appropriate Building Manager or Supervisor will investigate and provide a Level 1 service response to your complaint. If related to maintenance, it will not be investigated unless it falls outside of our standard maintenance response times.

PURSUING A COMPLAINT FURTHER

The University’s complaints procedure for students can assist you if your concern remains unresolved after the conclusion of a Level 1 complaint, as above. Details about pursuing a complaint further can be found at student.sussex.ac.uk/complaints
