

Sussex Centre for Advanced International Theory (CAIT)

‘Critique in Times of Post-Truth’

Dr. Sebastian Schindler

CAIT Visiting Research Fellow

University of Frankfurt, Excellence Cluster ‘Normative Orders’

30th of November 2018, 1.00 – 3.00pm

Lecture Theatre Arts C133

Dr. Schindler is a research associate in the working group ‘International Organisations’ at the Frankfurt Cluster of Excellence ‘Normative Orders’. His research is located at the intersection between IR Theories, international organisations, and international political theory. His essay “Man versus State: Contested Agency in the United Nations” was awarded *Millennium’s* Northedge Prize in 2014. Since 2016, he serves as speaker of the Young Researchers’ Group in the IR section of the German Political Science Association.
