

Application to Transfer to Pre-submission Status

Please note: Pre-submission status was formerly known as Continuation status.

Before completing this application form, please read the following notes:

- 1. Requests to transfer to pre-submission status must be made in periods of quarters (3 months), up to a maximum of one year.
- 2. A transfer to pre-submission status can only take effect from the beginning of a month.
- 3. A transfer to pre-submission status will only be approved if it is accompanied by a detailed timeline and plan for the period to submission.
- 4. A transfer to pre-submission status is not normally approved before completion of three years full-time study or five years part-time study. Students cannot transfer to pre-submission status before their minimum date of registration has passed.
- 5. The pre-submission status tuition fee per quarter will be £130, or £520 for the whole year. For this fee, students will be entitled to 2 supervision meetings per quarter.
- 6. Pre-submission students are not entitled to conduct work in laboratories or similar facilities. They are not entitled to University accommodation or election to University committees.
- 7. Students who proceed to pre-submission status will continue to receive the same level of access to the Library, Computing Service, and the services offered by the Student Life Centre and the Careers and Employability Centre until their maximum date of registration.
- 8. If you are in receipt of a United States Federal Direct Loan, this request may have an impact on your funds. Please seek advice from the Financial Aid Office before proceeding (usfinancialaid@sussex.ac.uk)
